Call on the Government to write and adopt a Socio-Economic Duty Policy requiring all departments at the Government to consider the potential of any policy, project or material amendment on <u>all residents in the country community</u>. In particular they should ensure that areas of high socio-economic disadvantage are not unfairly impacted.</li> <li>2. Ask the Government for the inclusion of 'disadvantaged socio-economic status' as a protected characteristic in Government procedures. This should prevent anyone being subject to less favourable treatment in the exercise of their rights because of their inherited social status or economic situation.</li> <li>3. Call on the Government to commit to more open consultation with residents on all projects</li> </ol>	<p>Letter from Chief Executives Office</p>	 <p>025 SoS levelling up, housing and coi</p>
