Licensing and Safety Panel Minutes (interim steps hearing) – 14 September 2022

1.0 INTRODUCTION

- 1.1 On the 12 September 2022, Greater Manchester Police submitted an application to the Licensing Authority for a Summary Review in respect of the Hidden Bar, Unit B, 24 Silver Street, Bury, BL9 0DH because they believe that the premises are associated with Serious Crime and/or Serious Disorder.
- 1.2 Summary reviews can be undertaken when the police consider that the premises concerned are associated with serious crime or serious disorder (or both). The summary review process allows interim conditions to be quickly attached to a licence and a fast-track licence review.
- 1.3 A 10 working-day public consultation exercise has been undertaken in accordance with Licensing Act 2003 regulations; requiring the application to be advertised by the displaying of a blue notice at or on the premises and details of the application published on the Council's website.

- 1.4 Within 48 hours of receiving a summary review application, under s53B of the Licensing Act 2003 the licensing authority must consider whether it is necessary to take interim steps pending the review of the licence for the promotion of the licensing objectives.
- 1.5 On 14 September 2022 a Licensing Hearings Sub Committee interim steps hearing was held, following receipt of the Summary Review application from Greater Manchester Police, Members of the Licensing and Safety Panel considered whether interim measures should be taken in respect of the Premises Licence for the purpose of promoting the Licensing Objectives.

- 1.8 The premises licence holder may make representations against the interim steps taken by the licensing authority. Under s53B of the Licensing Act 2003 the licensing authority must within 48 hours of the time of its receipt of the representations, hold a hearing to consider those representations.
- 1.9 At the time of writing this report, the premises licence holder has not made representations against the interim steps taken by the licensing authority.
- 1.10 On the date of the review hearing, the licensing authority is required to review any interim steps that are in place and consider whether it is appropriate for the promotion of the licensing objectives for the steps to remain in place, or if they should be modified or withdrawn.
- 1.11 Under section 53C of the Licensing Act 2003, the licensing authority must hold a full review of the premises licence and determine the review within 28 days after the day of receipt of the application.
- 1.12 Following the review under section 53C, the licensing authority must then review the interim steps in place and determine whether it is appropriate for the promotion of the licensing objectives for the steps to remain in place, or if they should be modified or withdrawn.
- 1.13 The premises licence in respect of the Hidden Bar, Unit B, 24 Silver Street, Bury, BL9 0DH has been held by Hidden Bar Bury Limited since 30 September 2020. Mr Paul Sarnoe has been the Designated Premises Supervisor since 26 May 2022
- 1.14 The Licensing Act 2003 (as amended by the Violent Crime Reduction Act 2006) and the Licensing Act (Hearings Regulations) 2005 (as amended) is the relevant legislation.
- 1.15 The Panel will make a decision on the day of the hearing and the parties will be notified subsequently of the decision and the reasons for it by letter from the Licensing Office.

2.0 BACKGROUND

- 2.1 The Chief Superintendent has issued a certificate under section 53A (1)(b) of the Licensing Act 2003 in which he states the following:-

These premises are associated with serious crime and Serious Disorder.

At 03.31 hours on the morning of Saturday the 10th of September 2022 an incident of disorder occurred immediately outside the above premises resulting in numerous customers from the premises fighting, revieving punches and being knocked to the ground.

The disorder continued along Broad Street (which is the street where the main entrance/exit is situated) with several flashpoints of disorder. As a result one male whom was also a perpetrator to the disorder received a puncture wound to his upper left thigh resulting in loss of blood and the victim being taken to hospital.

It is my opinion that an expedited review of the premises licence is necessary to allow the licence authority to review/amend the licence conditions and prevent a reoccurrence of such serious crime and disorder.

Attached to this report at Appendix Two (Application by Greater Manchester Police for the Summary Review) and Appendix Three (Certificate issued by the Chief Superintendent) respectively. Greater Manchester Police have supplied further supporting evidence for this application which includes CCTV footage of the incident that took place on 10 September 2022. This footage will be made available for the Members of the Sub-Committee to view at the hearing.

- 2.2 On the 27 September 2022, the Licensing Service received an additional bundle of evidence in respect of these premises and two further CD's containing more footage in support of GMP's application. This additional footage will be made available for the Members of the Sub-Committee to view at the hearing. This is contained at appendix six.

3.0 REPRESENTATIONS

- 3.1 As part of the statutory process the Responsible Authorities and interested parties are entitled to make representations in relation to the review of a licence. The Licensing Authority has given Notice of this review by placing a Notice on the premises, at the Council Offices and on the Council web-site. Where further representations are made by either the Responsible Authorities or from local residents / businesses and not withdrawn, Members are required to determine them. The Greater Manchester Police will give evidence at the hearing.

- 3.2 Representations must be relevant to the licensing objectives defined within the Act. The objectives are:-

- a. The prevention of crime and disorder
- b. Public safety
- c. Prevention of public nuisance
- d. Protection of children from harm

3.3 REPRESENTATION FROM LICENSING AUTHORITY

The Licensing Service has received a representation from the Licensing Authority in their capacity as a responsible authority under the Licensing Act 2003.

The Licensing Authority have indicated that they support the action by Greater Manchester Police, however they have stipulated that if members are minded for the premises to keep the premises licence they have suggested conditions to be added to the premises licence and the hours of the licence are reduced.

The hours of the premises to be reduced to;

Last entry to the premises - midnight

Last alcohol sale - 0030 hrs

Premises closed to the public - 1am.

The suggested conditions are contained in the representation attached at appendix four.

4.0 CURRENT LICENSABLE ACTIVITIES

4.1 The premises licence which shows the current licensable activities and conditions is attached at appendix five.

5.0 THE SECRETARY OF STATE'S GUIDANCE TO THE LICENSING ACT 2003

5.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act. It also provides information to magistrates' courts hearing appeals against licensing decisions and has been made widely available for the benefit of those who run licensed premises, their legal advisers and the general public. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

5.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.

5.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

6.0 CONCLUSION

6.1 A licensing authority must carry out its functions under this Act ("licensing functions") with a view to promoting the licensing objectives:

- the prevention of crime and disorder
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

6.2 In considering the matter, the Sub-Committee should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council's licensing policy statement.

6.3 The Sub-Committee must consider what steps are appropriate for the promotion of the licensing objectives taking into account any change in circumstances since any interim steps were imposed, any relevant representations, and review the interim steps already taken (if any).

6.4 In making its final determination, the steps the Sub-Committee can take are:

- To modify the conditions of the premises licence
- To exclude from the scope of the licence any of the licensable activities to which the application relates;
- To remove the designated premises supervisor from the licence;
- To suspend the licence for a period not exceeding 3 months;
- To revoke the premises licence.

6.5 The conditions of the licence, with the exception of mandatory conditions of the premises licence, may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.

- 6.6 All licensing determinations should be considered on the individual merits of the application.
- 6.7 The Sub-Committee's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 6.8 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 6.9 The Sub-Committee is asked to determine what steps, as set out in 6.4 above, are appropriate for the promotion of the licensing objectives.
- 6.10 The Sub-Committee's determination of the review does not have effect until the end of the 21 day period given for appealing the decision, or until the disposal of any appeal that is lodged.
- 6.11 To ensure that there are appropriate and proportionate safeguards in place at all times, the licensing authority is required to review any interim steps that it has taken that are in place on the date of the final review hearing. This is to be done immediately after the determination of the review under s53C. In reaching its decision, the panel must consider any relevant representations made.
- 6.12 The steps available to the Sub-Committee are:
- To modify the conditions of the licence;
 - To exclude the sale of alcohol by retail from the scope of the licence;
 - To remove the designated premises supervisor from the licence; and
 - To suspend the licence.
- 6.13 Upon the determination of the licence review, the Sub-Committee is asked to review the interim steps in place and determine whether it is appropriate for the promotion of the licensing objectives for the steps to remain in place, or if they should be modified or withdrawn

AN APPLICATION FROM GREATER MANCHESTER POLICE FOR A SUMMARY REVIEW OF THE PREMISES LICENCE IN RESPECT OF HIDDEN BAR, UNIT B, 24 SILVER STREET, BURY, BL9 0DH

The Licensing Authority received an application by the Chief Constable of Greater Manchester Police in respect of the licence premises Hidden Bar, Unit B, 24 Silver Street, Bury, BL9 0DH for a Summary Review of the Premises Licence and for interim steps to be taken in advance of that review in accordance with Sections 53A to 53C of the

Licensing Act. The reason for the application is because the police believe that the premises are associated with serious crime and/or disorder.

The nature of the application and consideration of interim steps was detailed in the report which was presented to the Members of the Sub-Committee by the Licensing Unit Manager.

The steps available were:

- To modify the conditions of the licence
- To exclude the retail sale of alcohol from the licence
- To remove the Designated Premises Supervisor from the licence
- To suspend the licence.

Members were made aware that the cost of the licensing function was funded through the fees and charges levied by the Council. There may be additional costs if appeals are lodged with the Magistrates and Crown Courts.

Attention was drawn to background papers which included:

Current Premises Licence

Section 53A application, Certificate and supporting evidence

Bury Council's Licensing Policy

Guidance issued under Section 182 of the Licensing Act 2003

Licensing Act (Hearings) Regulations 2005

The Licensing Unit Manager reported that summary reviews can be undertaken when the police consider that the premises concerned are associated with serious crime or serious disorder (or both). The summary review process allows interim conditions to be quickly attached to a licence and for the review of the licence to be fast tracked

The premises licence in respect of Hidden Bar has been held by Hidden Bar Bury Limited since 30 September 2020. Mr Paul Sarnoe has been the Designated Premises Supervisor since 26th May 2022 and is also a director of the company.

A licensing authority must carry out its functions under this Act ("licensing functions") with a view to promoting the licensing objectives:

- the prevention of crime and disorder
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

In reaching a decision, regard must be had to relevant provisions of the national guidance and the Council's licensing policy statement.

Appendix 1 of the report included an application for the review of a premises licence under section 53A of the Licensing Act 2003 submitted by PC Eccleston in relation to incidents in the early hours of Saturday 10th September 2022.

Appendix 2 of the report included the certificate under section 53A(1)(B) of the Licensing Act 2003 issued and signed by The Chief Superintendent.

Appendix 3 of the report included the current licence and conditions.

At the meeting Greater Manchester Police supplied further supporting evidence for this application by playing CCTV footage of the incidents that took place on 10th September 2022. This footage was shared on screen for Members of the Sub-Committee to view at the hearing.

The Sub-Committee then heard oral representations from PC Eccleston who set out the basis of Greater Manchester Police's application for a summary review of the premises licence.

At 03.31 hours on the morning of Saturday the 10th of September 2022 an incident of disorder occurred immediately outside the above premises resulting in numerous customers from the premises fighting, receiving punches and being knocked to the ground.

The disorder continued along Broad Street (which is the street where the main entrance/exit is situated) with several flashpoints of disorder. As a result one male whom was also a perpetrator to the disorder received a puncture wound to his upper left thigh resulting in loss of blood and the victim being taken to hospital.

It is my opinion that an expedited review of the premises licence is necessary to allow the licence authority to review/amend the licence conditions and prevent a reoccurrence of such serious crime and disorder.

The Chair allowed for facts to be checked with Greater Manchester Police.

The Premises Licence Holder made representations.

All parties were given the opportunity to question each other and to sum up their respective cases.

The Sub-Committee then duly retired to consider the matter and all of the information provided.

The Members of the Sub-Committee were advised by the Legal Officer as to their duties under Section 4 of the Licensing Act 2003 to at all times consider the promotion of the Licensing Objectives, these being:

- 1) the prevention of crime and disorder
- 2) public safety
- 3) the prevention of public nuisance
- 4) the protection of children from harm

The Members were also advised of their duties in carrying out those functions in relation to:

- a) the Council's published Statement of Licensing Policy
- b) the Guidance issued by the Secretary of State as contained in section 182 of the Licensing Act 2003.

In addition, Members were advised to give appropriate weight to the steps that are appropriate to promote the licensing objectives and the representations presented by all parties.

The Sub-Committee also had regard to the European Convention on Human Rights and in particular that everyone has the right to peaceful enjoyment of his possessions, respect for his private and family life, his home and his correspondence. A fair balance between competing interests must be considered.

DELEGATED DECISION

The Sub-Committee carefully considered all of the representations and evidence produced and in particular found that incidents of serious crime and serious disorder connected with the licensed premises had occurred on the 10th September 2022 when a number of individual were assaulted outside the premises resulting in one person receiving a puncture wound in the leg and suffering from heavy bleeding.

The Sub-Committee therefore unanimously **resolved** that the evidence presented both demonstrated serious crime and serious disorder of an extremely violent nature. The Sub-Committee was therefore satisfied that the incidents were sufficiently serious to mean interim steps are necessary pending consideration of the summary review application.

The Sub-Committee noted that there is no definition of 'serious disorder' in the Licensing Act 2003, but based on the evidence before it, it was satisfied that incidents clearly took place were so serious that not only were members of the public injured, but others were put at serious risk of injury. This in the Sub-Committee's view meant its powers to impose interim steps under section 53B of the said Act were engaged.

In relation to what steps are appropriate, again the Sub-Committee considered all of the representations and evidence, as well as the options set out in section 53B(3) of the Licensing Act 2003. The Sub-Committee has also considered what steps it felt were appropriate to best promote the licensing objectives in the said Act, in particular in this case the prevention of crime and disorder, and public safety.

In this case, because of the serious nature of the incidents referred to, and the risk of further serious crime and disorder, the Sub-Committee **resolved** that in order to promote the said licensing objectives it must **suspend the premises licence immediately**.

Reasons as follows:-

- Serious crime and disorder evidenced by CCTV
- Taken note of the current conditions of the premises licence which included:-
 - no loitering;
 - Failure to use the communications radio link to the police for reporting an incident in a prompt manner
 - Admission to the premises by customers after 3.00am

None of those conditions were complied with.

- Furthermore, an instruction was given to a member of staff to wash away blood from the street which affected evidence of a crime scene.
- Door staff failing to intervene during a lull in the violence
- The DPS failed in his responsibilities to ensure the licence conditions are complied with and the licensing objectives are met.
- The DPS continually sort to blame doorstaff for the issues on the night.
- The Sub-Committee accepted on the balance of probabilities that a male received a puncture wound in the close vicinity of the premises taking account of how the blood pooled outside as described by police.
- Emergency calls made at 3.51am and 3.57am by staff but this incident began just after 03.30am which was too little too late sometime after the first incident which could have avoided the later injury to the victim.
- The Sub-Committee considered the points of new measures volunteered by Mr Sarnoe being introduced of extra doorstaff, additional CCTV and additional external lighting. The Sub-Committee felt there is not the current capacity in place to comply with the conditions of the premises licence and promote the Licensing Objectives.
- Lack of compliance to the Bury purple flag scheme which promotes a safe night time economy and the lack of compliance with the premises licence conditions by the DPS have encouraged violence and it is fortunate the injuries sustained were not more serious.
- Full training to staff had not been executed by staff or the DPS

The Chair of the Sub-Committee advised the Premises Licence Holder that a letter in writing would be sent by the Licensing Service which would provide information on the summary review and next steps within the next 26 days.

COUNCILLOR S. WALMSLEY
Chair

X

4. Details of association of the above premises with serious crime, serious disorder or both:

At 03.31 hours on the morning of Saturday the 10th of September 2022 an incident of Serious disorder occurred immediately outside the above premises. I have reviewed the premises CCTV footage (included in the application) and it clearly shows numerous customers from the premises fighting, receiving punches, and being knocked to the ground.

The serious disorder continued along Broad Street (which is the street where the main entrance/exit is situated) with several flashpoints of disorder. As a result, one male who was also a perpetrator to the disorder received a puncture wound to his upper left thigh resulting in loss of blood and the victim being taken to hospital.

In total the disorder continued for approximately 14 minutes and albeit the serious disorder occurred immediately outside the premises and within full view of the door staff employed by the premises, no one from the premises notified the police of this prolonged incident which resulted in serious violence and involving numerous members of the public.

Furthermore, knowing that one male was receiving medical attention by paramedics, staff from Hidden bar started to wash down the blood from the street which would potentially interfere with a police investigation.

Following a conversation with the licensee police officers sought a voluntary closure to prevent a reoccurrence of any serious disorder. The licensee agreed that he would not reopen for the remainder of the weekend

It is my opinion that an expedited review of the premises licence is necessary to allow the licence authority to review/amend the licence conditions and prevent a reoccurrence of such serious crime and disorder

Section 3A – The Objectives

To prevent crime and disorder

Please state your reasons:

Enforcement Officers from the Licensing Department carry out regular evening enforcement on licensed premises. Visits have been made to Hidden Bar on the following dates and subsequent findings from those visits are detailed below.

- 29 April 2022 visited alongside GMP. Concerns were raised with the manager about the age of some of the patrons. She was advised that ID checks should also be carried out at the bar alongside checks on the door to challenge anyone who looks under 25.
- 24 June 2022 Licensing Officers visited after receiving complaints of underage on the premises. Mr Sarnoe was spoken to and said that all patrons had been ID checked at the door and bar.
- An incident was reported to us by GMP on 11 July 2022 of a 16 year old male who had collapsed outside the bar after drinking excess alcohol inside. A joint evening visit with GMP therefore took place on 22 July 2022. The door supervisor was observed checked ID however he accepted a Bury College pass and a photograph of a driving licence on a mobile phone, despite the condition below being on the licence;

The premises will operate a "Challenge 25" proof of age policy and signage to this effect is to be prominently displayed within the premises. Persons who appear to be under the age of 25 must produce for thorough scrutiny by staff, proof of identity/age before being sold / supplied alcohol. Only a passport or photo-card driving licence or a proof of age card bearing the official 'PASS' accreditation hologram should to be accepted as proof of age.

1. I am Police Constable 15913 Peter Eccleston of the Greater Manchester Police stationed at Bury Police Station, Dunster Road, Bury. My specific role is that of the Divisional Licensing Officer. I have been delegated to act on behalf of the Chief Constable relating to all matters as defined under the Licensing act 2003 (hearings) Regulations 2005.
2. Following an incident of serious crime and disorder associated with Hidden Bar, Unit B 24 Silver Street, Bury in the early hours of Saturday 10th September 2022 I have had a conversation with Bury Divisional Commander, Chief Superintendent Hill on Monday 12th September 2022 where I explained the severity and level of violence used in the disturbance and I requested an expedited review to be considered. This was authorised by Chief Superintendent Hill under Section 53A of the Licensing Act 2003. Following this authorisation I requested a review of the premises license which I have included as Exhibits A & B respectively.
3. Further to seeking authorisation, I along with PS Vernon attended Hidden Bar at 13:45hours and spoke to Mr Sarnoe with regards the incident on Saturday 10th September. Given the seriousness of the incident, the level of violence used and seriousness of injury, we informed Mr Sarnoe that I would be submitting an application to have the premises license reviewed. At this point Mr Sarnoe became annoyed and frustrated claiming the incident had occurred outside Hidden Bar and that we had been waiting for something like this to happen so that we could take him to review. Whilst at Hidden Bar I took the opportunity to take photographs of his door security staff book and incident book from the 10th September 2022. I have included these as Exhibit C and D respectively.
4. The circumstances of the serious crime and serious disorder are that, approximately 03:54 hours on the morning of Saturday 10th September 2022, police were called to an incident of crime and disorder. The call was made to police by Ambulance control after they had received numerous reports of a stabbing outside Hidden Bar. Greater Manchester Police log reference number which relates is: 000567-10/09/2022. A copy of the log can be found at Exhibit E.
5. On police arrival, the disturbance had ceased, and officers were faced with a male adult who had received a puncture wound to his inner left thigh, the subsequent crime scene and numerous individuals who were still loitering outside the premises.

6. Officers who were on scene at the time, tended to the victim and conducted their initial enquiries which included securing a copy of Hidden Bars CCTV footage from outside the premises, which was provided by Mr Sarnoe. I have included this footage as Exhibit F.
7. Having reviewed the CCTV footage, there is prolonged serious disorder which continued for 14 minutes between the times of 03:31 and 03:45 hours that morning during which time numerous customers from the premises are involved in fighting, receiving / throwing punched and being knocked to the ground. There were several flashpoints during this 14-minute period of serious crime and disorder resulting in numerous people receiving visible injuries, the most serious being a puncture wound to the upper inner left thigh of one customer for which he was taken to hospital where he received medical attention for those injuries.
8. During the 14 minutes of serious disorder there are some pertinent points within the footage which requires further attention and what I have been able to ascertain from the investigating officers so far is that at approximately 03:00 hours on the morning of the 10th September 2022, the male victim who receives the puncture wound to his inner upper left thigh, attends Hidden Bar after 03:00 hours in company with his son and partner. They are initially stopped by door security staff and initially refused entry. After loitering at the door for approximately 30 minutes they are then seen on the CCTV footage being allowed entry. Moments later they are seen exiting the premises despite the last entry time of 03:00 hours as per the premises license conditions. As they exit the premises, son's girlfriend is approached by another male customer who takes hold of her, resulting in son intervening at which point the situation escalates to serious physical violence and several customers are seen rushing out of Hidden Bar and become involved in the disorder between 03:31 and 03:33 hours. During this period of time the father and son are overpowered and are subjected to a sustained attack resulting in them both being knocked to the floor where the attack continues.
9. The second flashpoint occurred at 03:37 hours. From the CCTV footage, customers are seen still loitering around the premises. The father returns from the junction of Silver Street and proceeds to punch another male customer who was involved in the initial flashpoint. The son becomes involved and again the situation escalates rapidly resulting in father on the floor. Although I cannot say for certain that it is at this point where father receives the puncture wound to his leg, it is worth noting that prior to it escalating and immediately after no blood can be seen on the footwear of the father (victim). It is only after he has been stood, loitering outside for several minutes that blood can be seen running down the inside of his left white trainer and blood begins to pool on the floor.
10. A third flashpoint occurs at 03:44 hours. From the footage most of the violence occurs out of view of camera and only comes into view as one of the young males can be seen falling to floor almost at the feet of the father (victim).
11. At 03:45 hours a young male can be seen approaching the main entrance/exit to Hidden Bar and it is quite clear that he has been involved in the disorder due to his face and arm being covered in blood.
12. At 03:50 hours, it is quite visible that father's (victim's) health is beginning to deteriorate, and he can be seen slumped over one of the bins outside the Hidden Bar before gradually falling to floor. At this point bar staff from Hidden Bar can be seen tending to the fathers' injuries prior to police and paramedics arrival.
13. At 03:57 hours, Mr Sarnoe is seen leaving the office via the external door and looking at the injured father lying on the ground. At 03:57 hours, Mr Sarnoe is then seen speaking to a staff member, pointing at the pool of blood on the floor and at which point the same member disappears for a short time only to return with a bucket of water who in

- turn throws said water onto the crime scene in what appears to be an attempt to swill away the blood from the crime scene. At 03:58 hours, the same staff member returns with a second bucket of water however as police arrive she is prevented from throwing the second bucket by the door security team.
14. From the start of the disorder at 03:31 hours and police receiving the call from Ambulance control at 03:54 hours, this was the only call which had been logged on the police computer system.
15. As a result of this incident, three crimes have been recorded the details of which are as follows:
- CRI/06NN/0016329/22 – crime report for assault relating to Section 18 Offences Against the Person Act 1861. This offences is whereby someone has unlawfully and maliciously by any means whatsoever, wound or cause any grievous bodily harm to any person with intent to do some grievous bodily harm to any person.
 - CRI/06NN/0016331/22 – crime report for assault relating to Section 20 Offences Against the Person Act 1861. This offence is whereby someone unlawfully and maliciously wound or inflict any grievous bodily harm upon any other person, either with or without any weapon or instrument.
 - CRI/06NN/0016332/22 – crime report relating to an offence of Violent Disorder, Section 2 of the Public Order Act 1986. This offence is whereby 3 or more persons who are present together use or threaten unlawful violence and the conduct of them (taken together) is such as would cause a person of reasonable firmness present at the scene to fear for his personal safety, each of the persons using or threatening unlawful violence.
16. Further to this incident, there are other incidents and information which is associated to Hidden Bar which gives cause for concern and demonstrate how there is a significant disregard towards the premises license conditions and the four licensing objectives.
17. On Saturday 3rd September 2022 several police officers visited Hidden Bar whilst conducted a licensed premises check as per the Bury Divisional night time economy operation: Operation Lynx. During the visit, a cocaine wipe was used by one of the officers which displayed a positive result indicating that there were traces of cocaine on the bar surface. I was notified of this incident via email from the on-duty Inspector at the time; Inspector Ward 18176 who was also out on patrol with officers that evening. I have printed a copy of the email (irrelevant information redacted) which I have added as Exhibit G.
18. On Friday 2nd September 2022 at 13:00 hours, I attended a meeting with Mr Sarnoe following reports that he had been obstructive towards officers when carrying out licensed premises checks at Hidden Bar. I had arranged for PC Nadeem to accompany me at the meeting as a witness.
19. On speaking to Mr Sarnoe, he felt that he was being targeted due to the amount of premises license checks which were being carried out at Hidden Bar on a weekly basis predominately at weekends. I tried to explain that due to information still being received and previous intelligence regarding underage drinking in his premises, I had responsibility as the licensing officer to make sure young people were not at risk of harm and the necessary and appropriated Identification checks were being carried out. I also explained that due to OP Lioness (Violence Against Women) there was another team of officers checking licensed premises in the town centre with the main objective of vulnerable people in the night-time economy. As such I explained that I understand why he may have felt as though he was being targeted however there was a justified reason for the visits which were being carried out. Not satisfied with my explanation, Mr Sarnoe accused me of targeting his premises due to the colour of his skin.

20. I categorically refuted those claims and reinforced the reasons for the visits. I suggested that if he stopped young people under the age of 18 years old entering his premises, then the visits would decrease.
21. On Friday 5th August 2022 at around 22:00hrs, PC Redmond attended Hidden Bar, to conduct a license premises check for vulnerable females under the National Violence Against Women operation (VAWG), which for Greater Manchester Police was called Op Lioness. On attending the premises, the officer states that the door security supervisors had concerns about letting him and other officer in the premises to conduct the check as they had been told to check with management of the premises first. As such the officer waited at the entrance and he was approached by a young male who stated he was the manager. After a couple of minutes, the officer was approached by a black male who was pacing around and looked agitated. This male introduced himself as the owner of the premises and came across aggressive and obstructive towards officer and threatening towards his staff. The officer specifically noted that the owner shouted at his door staff and manager and threatened them with being fired if they allowed police to enter the premises. I have included PC Redmond statement as Exhibit H
22. At 00:07hrs on Sunday 31st July 2022, PC's 17518 Brown and 05775 Hussain have conducted a premises license check. A record of the visit has been provided at the time which I have included as Exhibit I. From the record, officers have noted that management did not want police inside the premises. Both officers have provided a statement outlining the details of this encounter which I have included as Exhibit J and K respectively.
23. On Friday 29th July 2022 at approximately 20:15 hours, another license premises check was carried out at Hidden Bar by PC's 18730 Howcroft and 17484 Kemp. They attended the premises after information was relayed over their personal radio's that a group of around 10 young males had entered Hidden Bar, none of which appeared to have had their identification checked on entry. This information was relayed by another officer who at the time was situated in Bradley Fold CCTV room and was monitoring the town centre as part of Operation Lioness.
24. Upon the officers entering the premises there was a group of young males sat to the right-hand side of the premises close to the bar. Officers asked the group to produce identification for proof of age, none of which were able to do so. As such they were asked to leave by the manager at the time Kaide Goodridge which they duly did without any objections. Body worn video was taken of the encounter which I can produce as Exhibit L. From the Body Worn Video footage it would appear that none of the group have alcohol in their possession, despite this it shows there is a lack of effective management for a licensed premises considering this group is sat next to the bar and management/bar staff are going about their duties.
25. On Friday 22nd July 2022, I was on duty from 16:00hrs having deviated my shift to work alongside Bury Council Licensing Officers Laura Jones and Alex O'Farrell so that checks could be carried out at various licensed premises during the evening. At 21:25 hours, we visited Hidden Bar. We spoke to the bar manager Dylan Lealand and the door security team member. Whilst speaking to them, a customer had already approached the door wanting to gain entry and initially, the door security supervisor had accepted a student identification card and accompanying letter as proof of age. At this point I interjected and refused the customer entry based on the fact that the identification was inadequate. I also pointed out that the only acceptable identification is photographic identification which includes the official holographic 'PASS' mark or other official documentation such as a UK driving license or passport. It was quite obvious from this experience that identification such as the student identification was regularly accepted at the premises and no one from the premises that was present at the time seemed to know any different. This was another example of the mismanagement of the premises and a disregard for the premises license conditions which stipulates at point 18 under the licensing objective of Protection of Children from Harm '...Only a

passport or photo-card driving license or a proof of age card bearing the official PASS accreditation should be accepted as proof of age.'

26. At the time of the visit, Mr Sarnoe was not present however we returned at 23:20hrs where I was able to discuss the earlier visit and the concerns with regards to what identification was being accepted. I reiterated what identification was acceptable as per the license conditions. I also mentioned the need for a dress code as customers were still being allowed access wearing tracksuits.
27. On Monday 11th July 2022 at 13:00 hours Sgt Vernon and I, attended Hidden Bar to discuss an incident which had been called into the police that weekend. We met Mr Sarnoe at the premises and took advantage of being able to review the CCTV footage from both evenings on Friday 8th and Saturday 9th July. Some of the footage was shocking to say the least and despite only having the briefest of time to review the footage, it became apparent that those entering the premises looked young in age and there were very little identification checks being carried out and searches of patrons were non-existent. The footage also showed males congregating in the back street outside the main entrance some of which were inhaling nitrous oxide from balloons in plain sight of door staff and then being allowed back into the premises one of which still had the balloon hanging out of his mouth. We pointed out our concerns at which point Mr Sarnoe gave assurances that he would rectify those issues which were pointed out to him.
28. On Friday 8th July 2022 at 23:38 hours, Greater Manchester Police received an emergency call via the 999-system stating that there was a 16year old male who had been spiked and was still in the bar. Log reference 003800-08072022 refers to the incident and can be associated to Hidden Bar however the male had collapsed outside. Gradually the log was updated as more information become available and within those updates, they name the young male and his age (15years). One of the updates from an officer at the scene, states that the young male is talking. Having spoken to the males' friends and family members who were also present, information has come to light that he has drank a lot and family members do not suspect spiking. At this point ambulance was also on scene and has medically assessing him. The young male was taken to hospital for further observation. The log has been printed and included as Exhibit M (redacted due to personal information)
29. Unfortunately, the young male who had collapsed on the Friday evening was just out of view of the external camera at Hidden Bar therefore we were unaware at the time of the meeting who exactly we were looking for on the internal cameras at the time of the meeting with Mr Sarnoe on the 11th July 2022.
30. On Sunday 26th June 2022 at 00:53 hours, Greater Manchester Police received a report of a missing person on Log reference 000189-26062022. The call had been made by a member of staff from one of the children care home within the Bury District. They were reporting a vulnerable 17-year-old male who had not returned home. Following this report enquiries were made by police and staff at the care home to try and locate the male with not much success initially however at 02:20 hours that same day he was seen leaving Hidden Bar by a police patrol and subsequently taken home. The log has been provided and can be found at Exhibit N (redacted due to personal information).
31. On the 14th June 2022, Sgt Vernon and I arranged another meeting with Mr Sarnoe following a robbery in Bury Town Centre whereby an off duty police officer was threatened and assaulted by two young males on the 8th June 2022. These two young males had stolen the victim's mobile phone and police warrant card. A couple of days later on the 11th June 2022 a young male (16yrs old) attempted to enter another premises within Bury Town Centre and was

searched at the door however door security staff found the young male to be in possession of a police warrant card (one stolen) and quickly recognised that the warrant card didn't match who was stood in front of them. Consequently, the door security team confiscated the stolen warrant card and contacted police at 01:35hours that same day.

32. log reference 000305-11062022 (Exhibit O) relates to this call. Information was passed by the informant, that the male in possession of the warrant card had left on foot and had gone into Hidden Bar. Officers attended and spoke to the informant along with other witnesses at which point a description of the male involved was passed. Following obtaining this information, officers attended Hidden Bar and completed a search of the premises during which time a number of individuals were spoken to including a male who loosely matched the description passed by witnesses. Not completely satisfied they had spoken to the right individual, officers have returned and spoken to the original informant and following a review of the premises CCTV footage and staff pointing out who had been in possession of the warrant card, officers returned to Hidden Bar realising that the male who they thought loosely matched the description provided was in fact the same male. Unfortunately, by the time officers returned to Hidden Bar, the male had left. Officer had found a blue and white puffer jacket which had been discarded in the premises as per the original description given by staff at Venue.
33. Following further enquiries and a further review of CCTV footage, a suspect was identified by investigating officers and an arrest was made a couple of days later. This male suspect is 16 years of age and on interview he claimed that he had found the warrant card and had attempted to gain entry to Venue. Although there is no admittance to being in Hidden Bar within his prepared statement, witnesses had seen this male enter Hidden Bar. and given that he is 16years old and had been spotted inside Hidden Bar in the early hours of the 11th June it begs the question as to how he was allowed inside in the early hours of the morning and obviously demonstrates that identification checks by door security staff as well as bar staff including management is inadequate and leaves a lot to be desired with regards the management of the premises.
34. At the time of our meeting with Mr Sarnoe on the 14th June 2022 we were not privy to the full facts of the investigation as outlined above however given previous information and incidents involving young people at the premises, as well as the increase of violent crime within Bury Town Centre involving juveniles, we discussed the possibility of Mr Sarnoe bringing one member of the door security team on early at opening time to try and dissuade young people from in and around Hidden Bar. Mr Sarnoe agreed with what was being discussed and the following weekend had a member of the door security team on duty from the point of opening at 20:00 hours.
35. At 00:09 hours on Saturday 11th June 2022, PC 's 17518 Brown and 05775 Hussain was present once again during a license premises check at Hidden Bar. From the VLP log which was provided at the time, officers have noted that the owner was argumentative and hostile to police entering the premises without giving him prior warning. This log has been included as Exhibit P. The officers statements have been included as exhibit I and J respectively.
36. On the 12th May 2022, I wrote a letter to Mr Sarnoe following a meeting I and Sgt Vernon attended with Mr Sarnoe earlier that day. The contents of that letter can be found at Exhibit Q and it outlines the steps Mr Sarnoe agreed to take to try and rectify concerns we had raised with him. Those concerns were raised with regards to intelligence the police had received (see below) which indicated persons under the age of 18 years had or were attending and drinking alcohol in the premises. It also related to CCTV footage we had personally seen as a result of an incident which was linked to Hidden Bar. Mr Sarnoe agreed to do the following and in the main completed:

Signature:.....

Signature witnessed by:.....

- a. Dismissal of current door supervision company and appointment of new SIA (ACS) registered company of your choosing.
 - b. Age verification – challenge 25
 - c. Increase random searches of patrons to prevent crime and disorder. A ratio of 1 in 5.
 - d. Adopt a dress code policy for example no wearing of tracksuits, face coverings or caps will be adopted on Friday and Saturday evenings as well as Sundays of bank holiday weekends.
37. The incident in question was in relation to a residential property where the victim's car was stolen with keys by means of a burglary in the late hours of Sunday 8th May or early hours of Monday 9th May 2022. Investigating officers have been able to track the vehicle through Bury Town Centre CCTV where at 01:38hrs the vehicle pulls up outside Hidden Bar. Following this, the vehicle is involved in a police pursuit and ends in Middleton, Rochdale where it crashes and the occupants of said vehicle are arrested.
38. Where Hidden Bar is linked to this incident, is visible on the CCTV from that evening which was provided by Mr Sarnoe to the investigating officers. This is still an ongoing investigation however I have been provided with a copy of Hidden Bars door CCTV footage which I have included Exhibit R. Upon the arrival of the stolen vehicle outside the main entrance/exit to Hidden Bar, several young males approach the vehicle and engage in conversation with the occupants. Three of the young males enter the vehicle and they drive away down the back street. Considering the licensing objectives, concerns are raised when all four of those arrested in the stolen vehicle are under the age of 18 with the youngest being 15 years old at the time.
39. Upon further review of this footage (Exhibit R), it shows numerous individuals, young in appearance entering Hidden Bar wearing tracksuits and balaclavas. At times, it shows individuals wandering back and forth in and out of the club holding what appears to be glasses containing drink with no identification checks or searches being carried out. There are several pertinent points during the footage which are concerning and I have listed them below:
- a. **22:00 – 22:12hrs:** young males outside Hidden Bar. They enter the premises unopposed wearing inappropriate clothing. All three are wearing tracksuits and one is even wearing a balaclava type face covering. There is no door supervision on duty at the main entrance/exit and no identification checks or searches carried out.
 - b. **22:19:17hrs:** door staff arrive at the premises who shakes the hand of the same young males as above and walks into the premises to start shift.
 - c. **22:19:30 – 22:20:30hrs:** young males using the entrance security fencing as a gym and perform pullups whilst outside the premises.
 - d. **22:20:55:** same young males enter the premises once again unopposed.
 - e. **22:21:45:** door security member exits premises and stands on the door. Please note that at the time he is not wearing his SIA badge and straight away is not paying attention to what is going on inside or outside the premises and continuously looks at his mobile phone.
 - f. **22:29:19:** door security member temporarily leaves the door and can be seen walking to car to collect SIA badge. On returning he doesn't lift his head up and is back on his mobile phone.
 - g. **22:56:12 – 22:56:40hrs:** small group of young males and females arrive at Hidden Bar. No searches or identification checks are performed.
 - h. **23:25:00 – 23:30:00hrs:** during this 5-minute period you can clearly see from the footage that at least 3 young males, one wearing red tracksuit bottoms, another wearing a blue top and the remaining one wearing a full black tracksuit arrive at Hidden Bar, carrying a drink in what appears to be a glass container and enter the

Signature: 

Signature witnessed by:

premises with said glass, unopposed without any identification checks or searches being carried out. There is also another male wearing a blue top and black tracksuit bottoms who walks out of Hidden Bar carrying a drink in what looks like a glass container and proceeds outside the fenced off area, down the back street only to return a short time later, carrying the same glass container and is allowed straight back into the premises without being stopped or searched. At this point I would like to draw your attention to points 5, 6 and 11 of the Premises License under the Licensing Objective of preventing crime and disorder where it states, "No drink shall be removed from the premises in an unsealed container", "No person in possession of a drink in a sealed and unsealed container shall be allowed to enter the premises except for the purpose of delivery or from moving from one part of the premises to another" and "Customers are to be prevented from leaving the premises with glasses or open bottles. Empty bottles must be placed into locked bin so as to prevent them from being used as weapons". It is quite obviously from the footage that there is a blatant breach of the premises license conditions on this occasion.

- i. **23:33:40 – 23:53:34hrs:** during this period several individuals are seen leaving the premises unopposed with what appears to be a drink in a glass container. The young male wearing the tracksuit bottoms is seen leaving and re-entering the premises with a balaclava. None of the customers are stopped, searched or even prevented from entering the premises by management or the door security team.
 - j. **00:10:24 – 00:11:16hrs:** young males can be seen performing chin ups on the door security barriers unopposed by management or the door security team. The young male in the red tracksuit bottoms is again wearing a balaclava
 - k. **00:15:55 – 00:16:15hrs:** young male in red tracksuit bottoms is seen walking out of Hidden Bar wearing what appears to be a clown printed balaclava.
 - l. **01:00:26 – 01:03:22hrs:** male in red tracksuit is seen leaving the premises with a drink in what appears to be a glass container. Again, the management or door security team do very little to prevent or stop this from occurring.
40. On the 4th and 8th May 2022 Greater Manchester Police received information in the way of two intelligence logs whereby both claimed that alcohol was being consumed by individuals under the age of 18 inside Hidden Bar. Further to this intelligence, I have been in attendance at Bury divisional bi-weekly missing from home meetings at Bury Police Station. At these meeting, the police and other relevant agencies including children services and the safeguarding team, review those individuals who are causing the most demand on police resources to try and problem solve with the aim of reducing the amount of calls. During these meeting, information had come to light that one particular young male (different to the above) who was 17yrs old and in the care system had disclosed to his social worker that he had previously been out in Bury Town Centre drinking alcohol in Hidden Bar with friends.
41. Although Mr Sarnoe has been working with myself and Bury Council Licensing Team and when asked, has put measures in placed as advised, incidents are still occurring at the premises which gives concerns in relation to the management of the premises which is undermining the licensing objectives and posing a risk to public safety therefore I am respectfully requestion a revocation of the premises license.

CERTIFICATE UNDER SECTION 53A(1)(b) OF THE LICENSING ACT 2003

I hereby certify that in my opinion the premises described below are associated with serious crime / serious disorder / both serious crime and serious disorder¹.

*Premises*²:

Hidden Bar, Unit B 24 Silver Street, Bury, BL90DH

Premises licence number (if known): PLA 1140

Name of premises supervisor (if known): Paul Sarnoe

I am a Chief Superintendent³ in the Greater Manchester police force.

I am giving this certificate because I am of the opinion that other procedures under the Licensing Act are inappropriate in this case, because⁴:

These premises are associated with serious crime and Serious Disorder.

At 03.31 hours on the morning of Saturday the 10th of September 2022 an incident of disorder occurred immediately outside the above premises resulting in numerous customers from the premises fighting, receiving punches and being knocked to the ground.

The disorder continued along Broad Street (which is the street where the main entrance/exit is situated) with several flashpoints of disorder. As a result one male whom was also a perpetrator to the disorder received a puncture wound to his upper left thigh resulting in loss of blood and the victim being taken to hospital.

¹ Delete as applicable.

² Include business name and address and any other relevant identifying details.

³ Insert rank of officer giving the certificate, which must be superintendent or above.

⁴ Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned.

It is my opinion that an expedited review of the premises licence is necessary to allow the licence authority to review/amend the licence conditions and prevent a reoccurrence of such serious crime and disorder

4. Details of association of the above premises with serious crime, serious disorder or both:

At 03.31 hours on the morning of Saturday the 10th of September 2022 an incident of Serious disorder occurred immediately outside the above premises. I have reviewed the premises CCTV footage (included in the application) and it clearly shows numerous customers from the premises fighting, receiving punches, and being knocked to the ground.

The serious disorder continued along Broad Street (which is the street where the main entrance/exit is situated) with several flashpoints of disorder. As a result, one male who was also a perpetrator to the disorder received a puncture wound to his upper left thigh resulting in loss of blood and the victim being taken to hospital.

In total the disorder continued for approximately 14 minutes and albeit the serious disorder occurred immediately outside the premises and within full view of the door staff employed by the premises, no one from the premises notified the police of this prolonged incident which resulted in serious violence and involving numerous members of the public.

Furthermore, knowing that one male was receiving medical attention by paramedics, staff from Hidden bar started to wash down the blood from the street which would potentially interfere with a police investigation.

Following a conversation with the licensee police officers sought a voluntary closure to prevent a reoccurrence of any serious disorder. The licensee agreed that he would not reopen for the remainder of the weekend

It is my opinion that an expedited review of the premises licence is necessary to allow the licence authority to review/amend the licence conditions and prevent a

When AP leaves for hospital officer to travel with him please for updates on condition/injury/prognosis. Clothing to be seized from AP.

Son has also potentially had contact with suspect(s) during melee - consider clothing seizure and forensic opportunities with son also.

Please de-brief girlfriend of son - she appears to have had some contact/conversation with the males prior to the incident.

Establish if CCTV in foyer of nightclub - the belief being the males responsible had been in the club prior to the event.

Awaiting further updates.

Although some CCTV footage has been secured it is not yet possible to determine what items within the scene are of relevance re: suspects.

I have noted the weather forecast re: % chance of rain in the next few hours.

** On that basis scene to be held until the morning at which point CCTV review can identify items/garments of significance and guide CSI accordingly**

Son and Girlfriend [REDACTED] appear not be be engaging particularly well with officers and we are yet to obtain their clothing (both having a lot of contact with the suspects on CCTV).

AP is at the MRI. Clothing will be seized. At this time the injury, although serious, is not believed to be life threatening/changing.

All,

Please see that attached OP Lynx briefing for this weekend.

If you're not already aware, please can I bring your attention to the requirement for **1 x officer on foot patrol to have possession of a town centre radio** which should be monitored throughout the operation and a further requirement for **a member of staff to work from the CCTV room at Bradley Fold** in order to monitor the town centre cameras and direct patrols as appropriate. This has been agreed by the Control Room Manager Paddy Norton and CI Goldie.

For both nights an **Op Lynx log will require generating** and all officers assigned to the operation will require adding to the log along with any relevant incidents.

Hard copies of the briefing, plus cocaine wipes and VLP record sheets are in the usual tray on Mr Brady's desk.

Updates are required re each date, please email [redacted] and [redacted] so that we have information for Monday morning and any relevant licensing action can be undertaken.

WITNESS STATEMENT

I am Police Constable 12228 REDMOND of the GREATER MANCHESTER POLICE currently stationed at BURY DIVISIONAL HEADQUARTERS as part of the Integrated Offender Management (IOM) unit.

On Friday 5th August 2022 at around 22:00 hours, I was on duty in full uniform taking part in Operation LIONESS which is being conducted as part of a campaign to help protect Vulnerable Women and Girls, as part of this operation we were tasked to enter licenced premisses to check for underage drinking.

At around this time I attended a premisses called HIDDEN BAR, SILVER STREET, BURY, to do a high visibility check inside. On initially going to the front entrance the door staff had concerns letting me in as they had been told to get a manager. I went to the main entrance then waited four a couple of minutes before being seen by a young man who said he was the manager.

I explained why I was there and after quickly realising there were not many people inside, he asked me to speak with him outside as he seemed to be nervous about the owner. We had been speaking for a few minutes when a Black male came across to us and appeared to be very agitated pacing around.

He said he was the owner and became in my opinion very aggressive shouting stating that we were targeting his premisses and I didn't go to any others. I tried to explain that I had been to other bars prior to coming to his, but he continued with his behaviour saying I was not allowed to come into his bar.

I tried to explain that I could, but he continued to talk over me before turning to the manger and the door staff and shouted at them that he would sack them straight away if they let Police in again before storming off back inside the premisses. He was that angry that I even asked the manger if he was OK as he looked shaken up to me and I got the feeling that this behaviour was not unusual.

I moved away from the premisses moving around to SILVER STREET with the intention of visiting more bars in the area. I noticed the owner of HIDDEN BAR, walking behind me when I went into THE EARL OF DARBY. He was outside when I came out and I then went onto MONKEY HOUSE, I tried to engage with him but he walked away, he was clearly checking on what I was doing.

WITNESS STATEMENT

I am PC 17518 BROWN of Greater Manchester Police and on Saturday 11th June 2022 and Saturday 30th July 2022 I was on duty and conducting night-time economy patrols in Bury Town Centre under Operation Lynx with a tour of duty of 1700 to 0300 hours. Part of the duties within this operation is to conduct visits to licensed premises (VLP) – I was in company with several officers on both occasions, I was also in full uniform.

On Saturday 11th June I conducted a VLP at Hidden Bar, 24 Silver Street, Unit B at 00:09 hours. I approached the front of the premises where there is an outside smoking area manned by security staff. I informed the staff that my colleagues and I will be coming into the venue to which one of the staff replied something similar to “WAIT HERE. THE MANAGER DOESN’T LIKE IT WHEN YOU JUST WALK IN” I advised them that it defeats the objective of a spot check if we give prior warning, and I encouraged my colleagues to complete the VLP whilst I filled out the paperwork. On this occasion, the owner whose name I do not know, but he was identified to me by one of the door staff came out of the bar and was argumentative and hostile to Police officers entering without giving him a heads up, again I advised him of what I had told the door staff. I felt that the owner’s reluctance to allow us inside was enough to document it on the VLP paperwork which will be fed back to the relevant department within the station.

On Saturday 30th July, I was in a similar situation where I completed a VLP at 00:07 and was in company with three other Police officers. On this occasion, it was not the owner, but another member of staff who informed me that management do not want Police inside the premises without prior warning – again I advised the staff of what my objective was and the purpose of the VLP and continued to conduct the spot check.

WITNESS STATEMENT

I am PC 05775 HUSSAIN of Greater Manchester Police; I am stationed at BURY POLICE STATION. On the 11/06/2022 and 31/07/2022 I was working a late afternoon shift on BURY TOWN CENTRE assigned to Operation Lynx. The tour of duty was 17:00 to 03:00 hours part of my shift was to cover response and cover the night economy on the town centre and conduct licence premises checks called VLP's.

On the 11/06/2022 myself and other officers in full uniform patrol where tasked to conduct some VPL check at a few venues in BURY town centre and one of those venues was HIDDEN BAR, 24 SILVER STREET. At approximately 00:09 myself and other officers attended and came to the front door of the venue and said to the door staff that we are here to conduct VLP checks. At this point door staff said, "WAIT UNTIL THE MANAGER COMES AS HE DOESN'T LIKE YOU JUST WALKING IN" officers have tried to explain the process of the VLP but door staff where very unhelpfully and being restrictive to officers. The owner, who I don't know the name was very obstructive and began to argue with officers, it was clear he had a dislike to police officers at the venue.

On the 31/07/2022 I attended once again for another VLP at HIDDEN BAR, 24 SILVER STREET BURY TOWN CENTRE. Again, this visit was the same where officers have attended and were told by staff and door staff that management of the bar does not want police officers inside the venue without prior warning. Officers have explained that we are here to conduct a VLP, and once officers had finished the checks, we left the venue. It was clear on both these occasions that staff at this venue had a dislike towards the police.

With regards the possibility of spiking, officers are to try and establish movements of potential victim through the evening, who he has been with and where he has been. Establish if there are any concerns that a substantive offence may have occurred. Why do they suspect spiking? Could there be any other explanation for his demeanour / intoxication?

CAP should be submitted for the fact a 15 year old boy is out in a night club and apparently xxx.

12th May 2022

Dear Paul,

RE: Meeting 12/05/2022

Thank you for meeting with PS Vernon and I to discuss the performance of your current employed door supervision company, their staff and your own bar staff.

As discussed, it is a mandatory condition of your premises licence that your premises must adopt an age verification policy. During the meeting we reviewed CCTV from your premises relating to the evening of Sunday 8th May 2022 and numerous occurrences of inappropriate door supervisory skills ranging from a lack of age verification check, inappropriate dress such as the wearing of full-face balaclavas and lack of searches upon entry.

To dissuade criminality within your venue and to promote the licensing objectives, you agreed to carry out the following:

1. Dismissal of current door supervision company and appointment of new SIA registered company of your choosing.
2. Age verification – Challenge 25.
3. Increase random searches of patrons to prevent crime and disorder. A ratio of 1 in 5.
4. Adopt a dress code policy for example no wearing of tracksuits, face coverings or caps which you will adopt on Friday and Saturday evenings as well as Sunday's on bank holiday weekends.

If you wish to discuss the above matters any further please contact me on the number above or my mobile: 07774219071.

Many thanks

Pete Eccleston.
