a) Bury Driver Safety Project Update GMP/Licensing

A Bury initiative is progressing to look to increase Bury Driver Safety
and also raise awareness of driver safety to the general public.
Following discussions with GMP and due to the issues raised by the
trade we want to first get the views of Bury Drivers to help shape and
ensure the BDSI can be as targeted and as effective as possible.
The findings from this public consultation will be fed into future

discussions with GMP Crime Reduction prior to
