**SUPPLEMENTARY INFORMATION**

**Item:1**    **1 Rollesby Close, Bury, BL8 1EW Application No. 69298**  
First floor extension at side

**Neighbour comment**

Revised plan submitted (RAD/2785/23/1RevC). Revised site plan corresponding with floor plan.

Following a reconsultation with No.3 Rollesby Close, an email was received indicating they were satisfied with the revised plan.

**Item:2**    **Land between 2 Ferngrove House, Rochdale Old Road & Woodgate Hill Road, Bury, BL9 7LS Application No. 68884**  
Erection of 5 no. new dwellings

**Trees**

The submitted Arboricultural Impact Assessment considers all existing trees on site to have landscape qualities and are either Category B (moderate) or Category C (low) quality trees.

The assessment concludes that there will be no direct loss of trees, but an indirect loss of 1 tree (T10) which is a low quality tree. Due to the quality of this sycamore tree, that has a sparse canopy, basal growth and various occluded pruning wounds no objections are raised to its loss. No pruning is also proposed as a result of the development. The report highlights that mitigation will be required to protect trees on site.

Whilst a Tree Protection Plan with Replanting Proposals (drawing 14) has been submitted as part of the application this plan appears to indicate retention of all trees on site, including T10. The Arboricultural Impact Assessment also includes recommendation for remedial works to trees on site that have not been included on this plan. As the trees are protected by means of a TPO it is considered that a method statement should be submitted, prior to commencement of works on site, that fully details all works to all trees on site that may be required as part of the development.

As such, condition 19 has been amended to require submission of an Arboricultural Method Statement:

Notwithstanding the details indicated on Tree Protection Plan with Replanting Proposals (drawing 14), an Arboricultural Method Statement shall be submitted to and approved in writing by the Local Planning Authority prior to commencement of works on site. This statement shall include all proposed works to trees and full details of protection in accordance with BS 5837:2012 "Trees in relation to design, demolition and construction" including the specification, location and phasing for the installation of tree and hedge protection measures and a schedule of all proposed tree and hedge works, including the reason for such works. The works shall be implemented in accordance with the approved details.

Reason. To avoid the loss of trees which are of amenity value to the area pursuant to Policy EN1/2 - Townscape and Built Design and EN8/2 – Woodland and Tree Planting of the Bury Unitary Development Plan.

Condition agreed by agent.

**Residential Amenity**

For clarity Plots 2 and 3 only have ground floor and first floor windows. No second floor windows are proposed.

**Item:3 Whitefield Police Station, Bury New Road, Whitefield, Manchester, M45  
8QN Application No. 69345**

Siting of a single storey permanent Portakabin at rear to be used as a Tactical Taser Training Room; 2 no. car wash screens at rear
