Executive Summary
<p>NHS GM has responsibilities in relation to declarations of interest as part of their governance arrangements (details of which can be found outlined in the NHS Greater Manchester Integrated Care Conflict of Interest Policy version 1.2).</p> <p>NHS GM (Bury Locality) therefore, has a requirement to keep, maintain and make available a register of declarations of interest for all employees and for a number of boards and committees.</p> <p>The Local Authority has statutory responsibilities detailed as part of Sections 29 to 31 of the Localism Act 2011 and the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012. For other partners and providers, we understand that conflicts of interest are recorded locally and processed within their respective (employing) NHS and other organisations as part of their own governance and statutory arrangements too.</p> <p>Taking into consideration the above, a register of Interests has been included detailing Declaration of Interests for the Locality Board.</p> <p>In terms of agreed protocol, the Locality Board members should ensure that they declare any relevant interests as part of the Declaration of Interest Standing item on the meeting agenda or as soon as a potential conflict becomes apparent as part of meeting discussions.</p> <p>The specific management action required as a result of a conflict of interest being declared will be determined by the Chair of the Locality Board with an accurate record of the action being taken captured as part of the meeting minutes.</p> <p>There is a need for the Locality Board members to ensure that any changes to their existing conflicts of interest are notified to NHS GM (Bury Locality) Corporate Office within 28 days of a change occurring to ensure that the Declarations of Interest register can be updated.</p>
