

CERTIFICATE UNDER SECTION 53A(1)(b) OF THE LICENSING ACT 2003

I hereby certify that in my opinion the premises described below are associated with serious crime / serious disorder / both serious crime and serious disorder¹.

*Premises*²:

Overdraught, 28-30 Blackburn Street, Radcliffe, Bury, M26 1NQ

Premises licence number (if known): PL0014

Name of premises supervisor (if known): Alistair Scott Johnson

I am a Chief Superintendent Hill³ in the Greater Manchester police force.

I am giving this certificate because I am of the opinion that other procedures under the Licensing Act are inappropriate in this case, because⁴:

The premises are associated with serious crime and serious disorder.

At 00:16 hours on Saturday 6th January 2024, Greater Manchester Police received a report of a stabbing at Overdraught, 28-30 Blackburn Street, Radcliffe.

Witness statements have been obtained and the premises CCTV footage has been reviewed. The circumstances of this incident are at approximately 23:45 hours, two male perpetrators have entered the above licensed premises. Police are not aware of any incidents occurring inside however upon exiting, approximately 10 minutes later, a conversation has taken place between the perpetrators and other customers. At present, the content of those conversations are unknown however a fight has ensued near to the main entrance/exit.

¹ Delete as applicable.

² Include business name and address and any other relevant identifying details.

³ Insert rank of officer giving the certificate, which must be superintendent or above.

⁴ Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned.

Witnesses to the incident report seeing a 2inch blade being used by one off the perpatrators and two other customers who were victim to the attack received some serious injuries which included:

Victim 1: 2cm laceration to the left side of his face, close to the eye socket and a 6cm laceration to his left arm, just below the elbow. Swollen right elbow.

Victim 2: 2cm laceration to the back of the head, close to the base of the skull.

Both victims required hospital treatment, one of which fell uncouncious and unresponsive later in the morning.

No door supervision were on duty at the time of this incident and although the premises license does not require the employment of door supervisors on a weekly basis, it is my opinion that this incident may have been avoided had they been employed. For that reason It is my opinion that an expedited review of the premises is necessary to allow the licensing authority to review/amend the license conditions and prevent a reoccurrence of such serious crime and disorder in the future.
