**READY FOR A NEW YOU?** 

#### Are you drinking too much?

"Communities in Charge of Alcohol" (CICA) is a Greater Manchester initiative that has been developed by Bury Council alongside Public Health England and Greater Manchester Devolution.

The project aims to kick start the development of a network of community alcohol champions. It builds on the principle that local communities should be empowered to take charge of their own health. and

RSPH Level 1 Award in Health Improvement (1) 27 centre(s) offering this qualification

RSPH Level 2 Award In Understanding Mental Wellbeing (1) 40 centre(s) offering this qualification

RSPH Level 2 Award for Young Health Champions ① 34 centre(s) offering this qualification

RSPH Level 2 Award in Understanding Health Improvement (1) 77 centre(s) offering this qualification

RSPH Level 2 Award in Supporting Behaviour Change (Health and Wellbeing)

49 centre(s) offering this qualification

## What's next for 2024

Feed into Bury's Locality Workforce Strategy

Build capacity via the Council's Levy function

Strengthen Public Health reach and tackle Inequalities

Embed PH upskill into Employee CPD across stakeholders

Internal upskill for Public Health staff as CPD

Focus on extended PH workforce

## **Extended PH Workforce Development**

SAS equivalent). The aim of the fellowship is to develop a network of clinicians from a non-population health background with population health skills to benefit place-based healthcare systems across England.       Network         Leading Prevention in Clinical Services – A Toolkit Approach is an e-learning programme is intended to support leaders and service managers to guide their teams through the process of re-designing services to support prevention. # How do we make PH everyone's business ?

### **Recommendations:**

- 1. Immediate workforce employee review reviews and 1 to 1's
- 2. Keep PH workforce on all agenda's
- 3. Advocate for PH training across leadership platforms

Thank You and Any Questions ?
