### 4.0 Small Grants Panel 2014/15

Bury Council has an annual allocation of £37,800 for the Small Grant's Fund. The current funding priority is to encourage and support grass-root community activity. This means small, community-based and locally controlled groups that manage themselves, encourage active participation from volunteers, and have minimal cash reserves and limited access to funding support.

The next round of funding for this financial year closes on 2nd September and the Panel will meet on 23<sup>rd</sup> September. Application forms for the new round of funding are available from Liz Saunders 0161 253 6357 or [e.saunders@bury.gov.uk](mailto:e.saunders@bury.gov.uk)

The small grants panel met on the 23<sup>rd</sup> June to approve applications. Details of approvals will follow.

## Community First Fund – Cabinet Office Funding

The fund, **Community First** aims to help groups improve their area and is intended to maximize community involvement in the process whilst expecting neighbourhood groups to match funds with either money or time. The four eligible wards (East, Moorside, Radcliffe East and Radcliffe West) have set up Panels consisting of members of the community whose principal role is to identify local priorities for funding and make recommendations relating to projects to be supported. B3SDA is the panel partner. The Panel met on 26<sup>th</sup> April to approve the following applications. Anyone wanting any further information about this fund can email the panel at the addresses detailed below. A further round of funding is available for each of the areas for the financial year 2014/15. Application form are available from [www.B3SDA.org.uk](http://www.B3SDA.org.uk) or can be requested from the email addresses below.
