#### **7.0 THE SECRETARY OF STATES GUIDANCE TO THE LICENSING ACT 2003**

- 7.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act. It also provides information to magistrates' courts hearing appeals against licensing decisions and has been made widely available for the benefit of those who run licensed premises, their legal advisers and the general public. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.
- 7.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.
- 7.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

## **8.0 CONCLUSION**

8.1 A licensing authority must carry out its functions under this Act ("licensing functions") with a view to promoting the licensing objectives:

- the prevention of crime and disorder
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

8.2 In reaching the decision, regard must be had to relevant provisions of the national guidance and the Council's licensing policy statement.

8.3 The Sub-Committee must consider what steps are appropriate for the promotion of the licensing objectives.

8.4 In making its decision with regard to this variation hearing, the steps the Sub-Committee can take are:

- To grant the application in the terms requested
- To grant the application subject to conditions
- To amend or modify existing or proposed conditions
- To refuse the application

8.5 All licensing determinations should be considered on the individual merits of the application.

8.6 The Sub-Committee's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.

8.7 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.

8.8 The Sub-Committee is asked to determine what steps, as set out in 7.4 above, are appropriate for the promotion of the licensing objectives.

**NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

*Continued from previous page...*

### **Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Documents which demonstrate entitlement to work in the UK**

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

*Continued from previous page...*

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

## Representation 1 and 2

Dear Sir/Ma'am,

I have been a resident on Manchester Road Bury for the last 23 years and have lived in the location for that past 52 years.

The downward spiral of the location disheartens me. The local town council are pushing its residents away instead of encouraging them to stay.

I write in objection to the application to late night licence to sell food and alcohol at the location by the Euro Garages Ltd petrol station.

This is a residential area and there is absolutely no requirement for a store to be permitted to sell alcohol in the area. Asda already have a huge store at Pilsworth on 1/2 mile away.

To permit the sale of alcohol 24 hours a day from a fuel station would be irresponsible of the local council in my view.

The ASB that will come with such a decision as I have seen this on many occasions in my role as a Greater Manchester Police officer.

The effect on the local community will be extremely impactful as this attracts people from outside the area.

I find it totally unacceptable to permit a fuel station to sell alcohol. If this is not a licence to permit young drivers to drink and drive I do not know what is.

I visited the store last evening when I noted the application in the window. I would like to point out that the store may have fulfilled its obligation to notify by sticking a notice on the window however please note that the notice is not visible to those people visiting the store if not on foot.

I also do not agree with the fact they have not informed the local community.

I would like to point out that since this location has been a multipurpose location the litter generated has increased hugely, and we know it is from the location as the papers are named from the various outlets.

I have complained about this several times.

I must note that whilst walking yesterday I noted empty cans and bottles of alcohol already in the location not deposited by their owners and also not cleaned by the local council who I have not seen clean the streets in Bury for years.

There is a clear link between alcohol and crime and disorder, the area has suffered recently from vehicle theft and interference, plus since the road has been relaid, the road is like a race track. The town is not attracting the right people to the area.

This is a public safety issue selling alcohol to people driving. I don't want to be associated with a town that encourages driving whilst under the influence.

These issues will be a public nuisance to the area and disturb the peace of the hard working residents in the area.

In addition there are many young families and young children in the area and a decision to agree will not protect those most vulnerable.

The temptation for the young to try to purchase will be considerable.

For these reasons I request that this licence is refused.

### Representation 3

I strongly object to the granting of the licensing applications for selling alcohol and refreshments.

Our property is adjacent to the garage and the additional noise and late night disruption not to mention the additional litter deposited in our garden ( plus any additional drunkenness) is simply not warranted.

I urge you to reject this application totally.

Representor 4

Good Evening

> I strongly disagree with these premises being awarded an alcohol licence and late night refreshment licence. My garden backs onto the premises and if this is allowed I will have rubbish discarded onto my property. The noise level and possible drunken behaviour would also impact on us. I urge you to not allow these licences to be awarded.

Representor 5

Good morning

I wish to make a formal objection to the application to sell Alcohol at the ASDA garage Blackford bridge Manchester rd,

I live next to the premises and the noise made by vehicles late at night is a nuisance already.

The side street on Hampson mill Lane is used as a dumping ground for litter, cans and bottles purchased at the garage.

There are sufficient shops selling alcohol within walking distance as well as Public Houses. There is no need for this licence to be granted.

Please consider and respect the voice of residents who will have to suffer the consequences,

Yours sincerely

## Representation 6 and 7

I would like to register a complaint and oppose the application for an alcohol and late food license at the Asda express on Manchester Road We already have sufficient off licenses in the area and do not need another - it's a residential area and selling alcohol will attract underage drinking in the area

Representation 8

Dear Sir/Madam

I am writing to object to the application to sell alcohol in the Asda Garage Manchester Road.

There will be no benefit to the local people whatsoever in fact it will be another bad idea for the local community.

Hampson Mill Lane is already being used for drug dealing and the road is littered with rubbish from the local taxi drivers parking up to have their break and leaving their rubbish behind. The only people who will benefit from this are Asda and the local drug addicts and alcoholics that this council has filled our once lovely area with. Its about time this council started to think about its residents and not the greedy Supermarkets. Come on Bury Council start using common sense before you turn Bury into a ghetto.
