#### 1.0 BACKGROUND

- 1.1 The Licensing Act 2003 and the Licensing Act 2003 (Hearings) Regulations are the relevant legislation.
- 1.2 The Panel will make a decision on the day of the hearing and the parties will be notified subsequently of the decision and the reasons for it by letter from the Licensing Office.

## **2.0 INTRODUCTION**

- 2.1 The applicant for the licence is Best Local Limited and the proposed Designated Premises Supervisor (DPS), in respect of the above premises, is Mr Kosrat Ali Fage Mohammed, 88 Lewis Drive, Heywood, OL10 3NB. The application is attached at Appendix 1
- 2.2 The applicant has complied with all the necessary procedural requirements laid down by the Act.
- 2.3 As part of the statutory process the Responsible Authorities and interested parties are entitled to make representations in relation to the grant of a licence. Where representations are made and not withdrawn Members are required to determine them.
- 2.4 Representations must be relevant to the licensing objectives defined within the Act. The objectives are:-
- the prevention of crime and disorder
  - public safety
  - prevention of public nuisance and
  - protection of children from harm

## **3.0 THE APPLICATION**

- 3.1 The application is for the grant of a Premises Licence under Part 3 of the Licensing Act 2003:

### **Opening Times:**

Monday to Sunday            06:00 till 23.00

### **Supply of Alcohol (off the premises):**

Monday to Sunday            08.00 till 23.00

The conditions contained in the operating schedule submitted by the applicant are contained at Appendix 2.

## **4.0 REPRESENTATIONS FROM A RESPONSIBLE AUTHORITY**

- 4.1 One representation has been received from Trading Standards Service in their capacity as a Responsible Authority against this application. The Responsible Authority has been invited to make their representations at the hearing.
- 4.2 The representation is attached at Appendix 3.

## **5.0 OBSERVATIONS**

5.1 After hearing the representations made and the evidence presented, Members are obliged to determine the application with a view to promoting the licensing objectives and having regard to the Authority's Licensing Policy and National Guidance.

## **6.0 THE SECRETARY OF STATES GUIDANCE TO THE LICENSING ACT 2003**

6.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act. It also provides information to magistrates' courts hearing appeals against licensing decisions and has been made widely available for the benefit of those who run licensed premises, their legal advisers and the general public. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

6.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.

6.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

## **7.0 CONCLUSION**

7.1 A licensing authority must carry out its functions under this Act ("licensing functions") with a view to promoting the licensing objectives:

- the prevention of crime and disorder
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

7.2 In reaching the decision, regard must be had to relevant provisions of the national guidance and the Council's licensing policy statement.

7.3 The Sub-Committee must consider what steps are appropriate for the promotion of the licensing objectives.

7.4 In making its decision with regard to this variation hearing, the steps the Sub-Committee can take are:

- To grant the application in the terms requested
- To grant the application subject to conditions
- To amend or modify existing or proposed conditions
- To refuse the application

7.5 All licensing determinations should be considered on the individual merits of the application.

7.6 The Sub-Committee's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.

7.7 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.

7.8 The Sub-Committee is asked to determine what steps, as set out in 7.4 above, are appropriate for the promotion of the licensing objectives.

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
