Community First Fund – Cabinet Office Funding

The fund, **Community First** aims to help groups improve their area and is intended to maximize community involvement in the process whilst expecting neighbourhood groups to match funds with either money or time. The four eligible wards (East, Moorside, Radcliffe East and Radcliffe West) have set up Panels consisting of members of the community whose principal role is to identify local priorities for funding and make recommendations relating to projects to be supported. B3SDA is the panel partner. The Panel met on 26th April to approve the following applications. Anyone wanting any further information about this fund can email the panel at the addresses detailed below. A further round of funding is available for each of the areas for the financial year 2014/15. Application form are available from www.B3SDA.org.uk or can be requested from the email addresses below.
