

HEALTH SCRUTINY COMMITTEE TERMS OF REFERENCE

1. INTRODUCTION

The Local Government Act 2000 introduced a new political management system for local councils in England and Wales, requiring them to have a separate 'executive' in the form of a leader, or elected mayor, and cabinet. To provide a counterweight for this, the Act also introduced the concept of 'overview and scrutiny', whereby every council with an executive management structure is required to have an overview and scrutiny committee. This enables the rest of the council to scrutinise the executive by investigating their decisions, policies and issuing reports and recommendations where any shortcomings are identified.

2. THE ROLE OF HEALTH SCRUTINY

Scrutiny is a statutory role fulfilled by Councillors who are not members of the cabinet. The role of the overview and scrutiny committees is to help develop policy, to carry out reviews of council and other local services, and to hold decision makers to account for their actions and decisions.

The Council has decided that it will have three overview and scrutiny committees (an Overview and Scrutiny Committee, a Health Scrutiny Committee and a Children and Young People Scrutiny Committee) which will have responsibility for all the overview and scrutiny functions on behalf of the Council as set out in part

3. MEMBERSHIP

The Health Scrutiny Committee will comprise of eleven members of the council. The membership is politically balanced, which means the number of places given to a political group is proportionate to the number of councillors the group has on the Council. Cabinet Members are not to be members of the Committee. Deputy Cabinet Members are not to be a Member of a Committee dealing with an area in which they have an involvement or an interest. All councillors will have full voting rights.

The Chair of each committee is also a councillor. The council will appoint the Chair of the Committee. The Chair has the job of managing the meeting, in the event that the number of votes for and against a proposal are the same, the Chair can take a second vote or deciding vote.

The Health Scrutiny Committee may appoint Overview Project Groups to undertake reviews.

4. FUNCTION

To initiate public inquiries into matters of local concern. These can lead to reports and recommendations which advise the Leader / Cabinet Members and the Council as a whole on its policies, budget and service delivery.

Monitor the decisions of the Leader/Cabinet members. A decision that has been made by the Leader / Cabinet Member and not yet implemented can be 'called in'. This enables the Committee to consider whether the decision is appropriate. The Scrutiny Committee may recommend that the Leader / Cabinet Member reconsider the decision considering findings and comments made.

Be consulted by the Leader / Cabinet Member or the Council on forthcoming decisions and the development of policy.

5. KEY RESPONSIBILITIES OF THE COMMITTEE

7. POST-DECISION SCRUTINY AND CALL-IN

Post-decision scrutiny takes place in response to decisions that have already been made. This is particularly useful for influencing policy changes in the medium to long term. For decisions that have been made but not implemented, scrutiny has the power to call-in the executive to revisit a decision and delay its implementation. This applies only to 'key decisions', which are predominantly decisions made by the executive, either as individuals or as a whole.
