## 2. Introduction / Background

The Health & Wellbeing Board has committed to refreshing the Health & Wellbeing Strategy and agreed to review one priority per meeting. At the September Member Development Session and Board meeting, Priority One- Ensuring a positive start to life for children, young people and families was reviewed by the board.

## 3. Key issues for the Board to Consider

At the Member Development Session, members received a series of presentations and updates from lead officers relating to Priority One actions and measures of success to inform robust discussion at the Board meeting. At the meeting, it was agreed that the actions and measures of success for Priority One should be:

**Refreshed: Priority 1 - Ensuring a positive start to life for children, young people and families.**

### **Our Actions**

We will:

1. Improve health and developmental outcomes for Under 5s.
2. Develop integrated services across education, health and social care which focus on the needs of the child especially those with the most complex needs.
3. Support positive and resilient parenting, especially for families in challenging circumstances
4. Narrow the attainment gap amongst the vulnerable groups.

## Measures of Success

If we are making a difference, we will have:

1. a) Improved health outcomes for under 5s  
b) A higher proportion of children will be school ready
2. Implemented the SEND reforms
3. a) Fewer children making repeat entry into the social care system  
b) Children move from care into high quality permanence  
c) Children in care in stable placements
4. Improvements in the differences in levels of educational attainment across the borough and between groups

## Indicators

1. a) Improved health outcomes for under 5s
  - Number of mothers who smoking during pregnancy
  - Breastfeeding initiation and maintenance at 6-8 weeks after birth
  - Infant mortality
  - Tooth decay in children aged 5
  - Childhood obesity
- b) A higher proportion of children will be school ready
  - Children achieve a good level of development by the end of Reception
  - Children with free school meal status achieve a good level of development at the end of reception
  - Year 1 pupils will achieve the expected level in the phonics screening check
  - Year 1 pupils with free school meal status will achieve the expected level in the phonics screening check
2. Implemented the SEND reforms
  - Number of Education, Health and Care Plans (EHC)
  - Number of families accessing personal budgets

3.
  - a) Fewer children making repeat entry into the social care system
    - A reduction in the number of repeat child protection plans
  - b) Children move from care into high quality permanence
    - Number of children moving out of care into permanence through adoption or Special Guardianship Orders
  - c) Children in care in stable placements
    - Long term placement stability for Children and Young People in Care
  
4. Improvements in the differences in levels of educational attainment across the borough and between groups
  - Narrowing the gap indicators
