The Panel must consider whether interim steps are required pending a full summary review hearing.
- 1.2 Summary reviews can be undertaken when the police consider that the premises concerned are associated with serious crime or serious disorder (or both). The summary review process allows interim conditions to be quickly attached to a licence and for the review of the licence to be fast tracked

2.0 BACKGROUND

- 2.1 The Chief Superintendent has issued a certificate under section 53A (1)(b) of the Licensing Act 2003 in which he states the following:-

At 01:21hours on Sunday 9th November 2025, Greater Manchester Police received a report of a serious assault whereby a customer had been hit over the back of the head with a pool cue at Overdraught, 28-30 Blackburn Street, Radcliffe.

Witness statements are in the process of being obtained and the premises CCTV footage has been reviewed by attending officers. The circumstances of this incident are at approximately 01:14hours, the perpetrator has been playing pool when he was approached

by the victim. A conversation takes place between the two at which point the perpetrator strikes the victim with the pool cue. The licensee, intervenes and briefly splits the pair apart before being approached by the perpetrator once again and sustains several blows to the back of the head with the pool cue before all parties are ejected from the premises.

According to the witness, the assault has continued outside the premises a short distance away and it is alleged that the victim has been struck again by a pool cue following which a call has been made to the police to report the incident.

Officers have attended the scene and the licensee has voluntarily closed for the remainder of the evening whilst the initial investigation began. Officers report that there was no blood present at the scene.

The victim has received a deep laceration to the back of the head and a large swelling to his forearm which at the time officers believed to be broken. The victim was taken to hospital where he had to be sedated following having a seizure whilst in the Accident and Emergency Department. Officer reported from hospital that scans had been completed and fortunately there was no lasting injuries.

A criminal offence of intending to cause grievous bodily harm has been recorded with the investigation in its infancy. It is my opinion that an expedited review of the premises licence is necessary to allow the licensing authority to review this incident, impose any interim steps and review the premises licence to prevent such incidents occurring in the future.

- 2.2 Attached to this report at Appendix 1 is the Application by Greater Manchester Police for the Summary Review and at Appendix 2 the Certificate issued by the Chief Superintendent. An appendix to the application is at Appendix 3.

3.0 CURRENT LICENSABLE ACTIVITIES

- 3.1 The Premises Licence shows the current licensable activities and conditions and is attached at Appendix 4.

4.0 DETERMINING THE APPLICATION FOR INTERIM STEPS TO BE IMPOSED

- 4.1 In determining whether or not to impose interim steps, pending the full review of the premises licence which must be held within 28 days from the date of the application being received, members must consider the information presented in relation to serious crime and/ or serious disorder. If members decide to impose interim steps, the following options are available:

- a. To modify the Conditions attached to the licence
- b. The exclusion of the sale of alcohol from the scope of the licence.
- c. The removal of the Designated Premises Supervisor from the licence.
- d. Suspension of the premises licence

- 4.2 For the purposes of subsection 4.1a, the conditions of a premises licence are modified if any of them are altered or omitted or any new condition is added.

5.0 THE SECRETARY OF STATES GUIDANCE TO THE LICENSING ACT 2003

- 5.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act. It also provides information to magistrates' courts hearing appeals against licensing decisions and has been made widely available for the benefit of those who run licensed premises, their legal advisers and the general public. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.
- 5.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.
- 5.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

6.0 CONCLUSION

- 6.1 A licensing authority must carry out its functions under the Act ("licensing functions") with a view to promoting the licensing objectives:
- the prevention of crime and disorder
 - public safety;
 - the prevention of public nuisance; and
 - the protection of children from harm.
- 6.2 In reaching the decision, regard must be had to the relevant provisions of the national guidance and the Council's licensing policy statement.
- 6.3 The Sub-Committee must consider what steps are appropriate for the promotion of the licensing objectives.
- 6.4 In making its decision with regard to this interim steps hearing, the steps the Sub-Committee can take are:
- a) To modify the conditions of the licence;
 - b) To exclude any of the licensable activities from the licence;
 - c) To remove the designated premises supervisor;
 - d) To suspend the licence
- 6.5 The conditions of the licence, with the exception of the mandatory conditions of the premises licence, may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.
- 6.6 All licensing determinations should be considered on the individual merits of the application.

- 6.7 The Sub-Committee's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 6.8 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 6.9 The Sub-Committee is asked to determine what steps, as set out in 6.4 above, are appropriate for the promotion of the licensing objectives.

Equality Impact and considerations:

Under section 149 of the Equality Act 2010, the 'general duty' on public authorities is set out as follows:

A public authority must, in the exercise of its functions, have due regard to the need to -

- (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;*
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;*
- (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.*

The public sector equality duty requires us to consider how we can positively contribute to the advancement of equality and good relations, and demonstrate that we are paying 'due regard' in our decision making in the design of policies and in the delivery of services.
