5.0 OBSERVATIONS

- 5.1 After hearing the representations made and the evidence presented, Members are obliged to determine the application with a view to promoting the licensing objectives and having regard to the Authority's Licensing Policy and National Guidance.

6.0 THE SECRETARY OF STATES GUIDANCE TO THE LICENSING ACT 2003

- 6.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act. It also provides information to magistrates' courts hearing appeals against licensing decisions and has been made widely available for the benefit of those who run licensed premises, their legal advisers and the general public. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.
- 6.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a

licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.

- 6.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

7.0 CONCLUSION

- 7.1 A licensing authority must carry out its functions under this Act ("licensing functions") with a view to promoting the licensing objectives:

- the prevention of crime and disorder
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

- 7.2 In reaching the decision, regard must be had to relevant provisions of the national guidance and the Council's licensing policy statement.

- 7.3 The Sub-Committee must consider what steps are appropriate for the promotion of the licensing objectives.

- 7.4 In making its decision with regard to this grant hearing, the steps the Sub-Committee can take are:

- To grant the application in the terms requested
- To grant the application subject to conditions
- To amend or modify existing or proposed conditions
- To refuse the application

- 7.5 All licensing determinations should be considered on the individual merits of the application.

- 7.6 The Sub-Committee's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.

- 7.7 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.

- 7.8 The Sub-Committee is asked to determine what steps, as set out in 8.4 above, are appropriate for the promotion of the licensing objectives.

Equality Impact and considerations:

Under section 149 of the Equality Act 2010, the 'general duty' on public authorities is set out as follows:

A public authority must, in the exercise of its functions, have due regard to the need to -

- (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;*
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;*
- (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.*

The public sector equality duty requires us to consider how we can positively contribute to the advancement of equality and good relations, and demonstrate that we are paying 'due regard' in our decision making in the design of policies and in the delivery of services.
