2. Introduction / Background

The Health & Wellbeing Board has committed to refreshing the Health & Wellbeing Strategy and agreed to review one priority per meeting. At the October Member Development Session and Board meeting, Priority Four- Promoting independence of people living with long term conditions and their carers..

3. Key issues for the Board to Consider

At the Member Development Session, members received a series of presentations and updates from lead officers relating to Priority Four actions and measures of success to inform robust discussion at the Board meeting. At the meeting, it was agreed that the actions and measures of success for Priority Four should be:

Priority 4 - Promoting independence of people living with long term conditions and their carers.

Our Actions

We will:

1. Ensure people with long term conditions (including mental health) are supported to live as well as possible with their condition.
2. Ensure carers have access to the support and information they need to fulfil their caring role and maintain their own health.
3. Support people with long term conditions (including mental health) to achieve and maintain sustainable employment.

Measures of Success

If we are making a difference, we will have:

1. a) An improved quality of life for people living with long term conditions
b) A reduction in hospital admissions for people with long term conditions
2. a) A live Bury Directory that will provide a one stop source of information and advice for people in Bury including carers
b) Improved health and wellbeing of carers

3. Increased number of people with long term conditions in sustainable employment.

Indicators

1. a) An improved quality of life for people living with long term conditions

- Health related quality of life for people with long term conditions
- Percentage of adults with a learning disability living in stable and appropriate accommodation
- Percentage of adults in contact with secondary mental health services who live in stable and appropriate accommodation

b) A reduction in hospital admissions for people with long term conditions

- Unplanned hospitalisation for chronic ambulatory care sensitive conditions

2. a) A live Bury Directory that will provide a one stop source of information and advice for people in Bury including carers

b) Improved health and wellbeing of carers

- Percentage of adult carers who have as much social contact as they would like
- Health related quality of life for carers

3. Increased number of people with long term conditions in sustainable employment.

- Gap in the employment rate between those with a long term health condition and the overall employment rate
- Gap in the employment rate between those with a learning disability and the overall employment rate
- Gap in the employment rate between those in contact with secondary mental health services and the overall employment rate
