<b>Title of report:</b>	Bury Bee Network Bus Network Development Update
<b>Report by:</b>	Natalie Blackston
<b>Decision Type:</b>	Report for information
<b>Ward(s) to which report relates</b>	All

## Summary

Transport for Greater Manchester (TfGM) will present a Bus Network Development update. TfGM are moving to a more strategic, GM-wide approach to network development, supported by a rolling pipeline of potential interventions. This will allow them to prioritise proposals more consistently, coordinate them with wider planning and investment cycles, and deliver improvements across Greater Manchester more dynamically.

## Recommendation

The Bee Network Forum is requested to note the revised Network Development process.

## Reasons for recommendation

For information and discussion.

## Alternative options considered and rejected
