This application to review relates to the following licensing objective(s)

- Please tick one or more boxes ✓
- 1) the prevention of crime and disorder
 - 2) public safety
 - 3) the prevention of public nuisance
 - 4) the protection of children from harm

Please state the ground(s) for review (please read guidance note 2)

The premises are failing to uphold the licensing objectives, specifically the prevention of crime and disorder, the prevention of public nuisance, and the protection of children from harm.

There is persistent anti-social behaviour linked to the premises, including public urination, disorderly conduct, intoxicated behaviour spilling into Harrogate Square, and repeated misuse of the residents' parking area by customers and associates of the premises.

The premises have failed to manage patrons leaving the venue, resulting in ongoing disturbance to residents, including late-night noise, vehicle movements, and behaviour causing harassment, alarm, and distress.

Evidence includes multiple video recordings, photographs, incident logs, and reports submitted to Bury Council, GMP, and the ASB team.

The issues are long-standing, ongoing, and directly linked to the operation and management of the premises.

Good afternoon,

Thank you for your email containing the evidence for the review application in respect of the Black Bull.

Due to the period that has elapsed since your initial application, it will be necessary for you to redate your application and send it to the Licensing Service electronically with the evidence you have submitted this morning. We will then forward all documentation to all responsible authorities for there information.

You will need to serve the premises licence holder with all the amended documentation that you have sent to the Licensing Service.

We look forward to receiving your amended review application in due course.

Please provide as much information as possible to support the application (please read guidance note 3)

A comprehensive evidence bundle has been generated in support of this review, demonstrating persistent and repeated failures to uphold the licensing objectives. The evidence includes:

- Video evidence submitted to the Council's Anti-Social Behaviour (ASB) Team as additions to the incident logs listed below. The files are in .MP4 format and exceed 1GB in total, making them unsuitable for email transmission. I have been advised by Rachel Davies, ASB Caseworker (Town Hall, Knowsley Street, Bury, BL9 0SW) that a Council case file has been opened containing all submitted documents and video files. These can also be provided on a pen drive, along with full copies of the ASB reports, if required.
- Incident logs documenting anti-social behaviour, public urination, and misuse of vehicles associated with the premises.
- ASB reports submitted via the Council's online portal specifically relating to public urination:
 - ASB805378407 – 02/03/2026 08:06:57

- Photographic evidence showing vehicles parked in residents' bays.
- Reports submitted to GMP, Licensing, and the ASB Team, evidencing repeated concerns raised with responsible authorities.

The evidence spans 2025–2026 and demonstrates a clear, ongoing pattern of unmanaged behaviour directly linked to the premises, resulting in repeated breaches of the licensing objectives and significant impact on residents' quality of life.
