Equality Impact and considerations:

24. *Under section 149 of the Equality Act 2010, the ‘general duty’ on public authorities is set out as follows:*

A public authority must, in the exercise of its functions, have due regard to the need to -

- (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;*
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;*

(c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

25. The public sector equality duty (specific duty) requires us to consider how we can positively contribute to the advancement of equality and good relations and demonstrate that we are paying 'due regard' in our decision making in the design of policies and in the delivery of services.
