Welcome to Radcliffe Township Plan

Thank you for taking the time to read the Radcliffe Township Plan. This document provides details on how we plan to tackle some of the local issues we face as a community.

Over the past months, we have had round table discussions at Township Forum meetings where Councillors, Community representatives and other members of the public were present and able to give us their views and share ideas. From this, and other statistical information, we have been able to identify our priority areas for the next three years.

This plan outlines how we will continue to make progress towards the vision for our Township to promote better outcomes for the social, health, economic, and environmental well being of people within our community

Despite the challenging economic climate we continue to strive for improvement, working together with our communities and partner agencies such as the Council, Police and Fire service, health services, faith groups and so on. We have a strong, dedicated, skilled and committed partnership that is working on a range of projects to help us deliver our priorities and improve the quality of life for residents in our community.

Bury Council has a number of key outcomes that underpin its work; delivery of this plan will support these outcomes.

- Reducing poverty and its effects
- Supporting our most vulnerable residents
- Making Bury a better place to live
- One Council, One success together

We would like to thank all our partners and residents for their continued efforts in supporting the Township Forum and the important work it does for the community of Radcliffe.

Colin Jones
**Chair,
Radcliffe
Township Forum**

Who we are and what we do

Radcliffe Township Forum welcomes those who live, work, or have an interest in the area. The forum meets at local venues such as community venues and schools. These meetings are public meetings and we strongly encourage everyone to come along. Discussions are fed back to Bury Council and its partners for appropriate action.

Radcliffe Township Forum is a constituted council committee consisting of all the elected members representing our area and a co-opted advisory group of local representatives from the business community, voluntary organisations and community groups. There are up to nine members on each Advisory Group and a place is also reserved for a young person's representative.

The Forum empowers our communities, promotes the debate of local issues and brings decision making closer to our residents. It seeks to harness the many strengths and assets we have in place here in Radcliffe, including local groups, strong community networks, talented young people, charities and voluntary groups, to work through these issues as a strong and committed partnership.

Some facts about Radcliffe

Demography: Bury has a population of 185,060 (2011 Census Data), of these, approximately 34,189 live in Radcliffe. Radcliffe has a high proportion of the total population 23,800 (71.7%) who are of working age, well above the borough average of 63.9%. Jobseeker Allowance Claimants (JSA) in Radcliffe account for 21.1% of the total claimants in the borough.

Deprivation: In terms of measuring deprivation, England is split into small areas called lower super output areas (LSOA). Each LSOA represents approximately 1500 residents. Deprivation is measured over 7 domains: income, employment, health, disability, education and training, barriers to housing and services, living environment and crime. In England there are 32,482 LSOA. In the borough of Bury there are 120 LSOA. Each LSOA is given a ranking, with 1 being most deprived.

Within Radcliffe there are 7 out of the 20 LSOAs in the 25% most deprived in the country. Radcliffe Borough FC/Coronation Road is the most deprived LSAO in Radcliffe. It is within the 5% most deprived in the country overall. There is polarity within the township and deprivation is spatially concentrated around the centre of Radcliffe. Bradley Fold LSOA is within the 20% least deprived LSOA in the country.

Closing the gap: Radcliffe has some affluent areas but also pockets of deprivation and high levels of unemployment leading to inequalities which adversely affect the life chances of many people who live in them. These inequalities between our neighbourhoods mean poorer health, lower levels of education and skills, higher crime and unemployment for people living in these areas. The township plan aims to help close the gap so that the lives of those in the most deprived areas are improved.

Our Assets: Radcliffe has some beautiful parks and green spaces including Close Park and Outwood Forrest with active and enthusiastic friends groups to ensure that these spaces are well maintained. Radcliffe participates in Bury in Bloom and last year was awarded a gold medal. It has a newly built health centre servicing the whole of Bury. There are active Tenants and Residents Association and Voluntary Organisations that are well represented on the Township Forum.

Together we can achieve more!

Radcliffe Township Forum aims to promote better outcomes for the social, health, economic, and environmental well being of people within our community.

We can achieve this by working together to achieve a number of key outcomes:

Key Outcomes:

Our Plan will contribute to the following outcomes:

Improved employment opportunities

Key Issues identified: How to help reduce the number of benefit claimants, the need for more apprenticeships and pathways to work and the lack of employment opportunities locally, especially for young people.

Current Position: June 2014 there were 648 (JSA) claimants in Radcliffe which is 21.1% of the total of claimants in Bury

Radcliffe West has the highest number of youth (JSA) claimants (60).

Improve Community Safety

Key Issues identified: Youths Involved in Anti Social Behaviour (ASB). Community concerns regarding drug use and acquisitive crime, crime prevention the need to make Radcliffe Safer.

Current Position: Youth Anti Social Behaviour is an issue in some areas of Radcliffe. Drug related acquisitive crime is on the increase

Improved Health and Wellbeing Outcomes

Key Issues identified: To help improve the health and wellbeing of Radcliffe residents and work across the Children's Centre broad agenda to support children and families.

Current Position: Radcliffe has the highest levels of obesity in Reception Year and Year 6 pupils in the whole of the borough. About 1 in 8 (12%) of Reception Year Children are classified as obese. Almost 1 in 4 (24%) of Year 6 children are classified as obese

Improved Educational Attainment/Learning Opportunities

Key Issues identified: The need to ensure that children are 'school ready'.

Current Position: Some Nursery School children are well below the expected standards and have poor communication skills.

Together we can achieve more!

Radcliffe Township Forum aims to promote better outcomes for the social, health, economic, and environmental well being of people within our community.

We can achieve this by working together to achieve a number of key outcomes:

Community Cohesion, Community Pride and Belonging

Key Issues identified: To promote the positive side of Radcliffe. To make more use of the parks and open spaces and the need to improve Community Engagement and Town Centre Regeneration.

Current Position: Some people have a negative view of the Radcliffe area.

Making a difference

We will measure our performance as follows:

- We will monitor the action plan which will support delivery of these outcomes

(an updated action plan will be shared at each Township Forum meeting)

- Bi-annual performance reports in relation to the above outcomes (presented to our Township Forum)

Everybody's Involved
