2. Introduction / Background

The Health & Wellbeing Board has committed to refreshing the Health & Wellbeing Strategy and agreed to review one priority per meeting.

3. Key issues for the Board to Consider

Priority 4- Ageing Well has been refreshed and it is proposed that the actions and measures of success for Priority Four should be:

Our Actions

We will:

1. Ensure older people play an active role within their community, tackling the impact of social isolation
2. Reduce the likelihood of people experiencing a crisis and when they do reduce the impact of this
3. Ensure people at the end of life are treated with dignity and respect

Measures of Success

If we are making a difference, we will have:

1. a) No older people will feel socially isolated
2. a) A reduction in non elective admissions in older people
b) A reduction in permanent admissions to residential and nursing homes
c) An increase in the number of over 65's who remain at home following re-ablement services
3. a) People will have choice and control over where they die
b) People will die with an end of life plan

Indicators

1. a) No older people will feel socially isolated
 - People aged 65 plus who have as much social contact as they would like
2. a) A reduction in non elective admissions in older people
 - Non elective admissions for people aged 65 plus
- b) A reduction in permanent admissions to residential and nursing homes
 - Permanent admissions to care homes people aged 65 and over

- c) An increase in the number of over 65's who remain at home following re-ablement services
 - Older people at home 91 days after leaving hospital into reablement

- 3. a) People will have choice and control over where they die
- b) People will die with an end of life plan
 - Proportion of deaths in usual place of residence (from End of Life Care Intelligence Network)
