

Bury East Township Forum: Issues raised 4th June 2015

	Raised by	Item Raised at Open Forum	Action by	Action
1	Resident	Concerns raised about speeding and inconsiderate driving near East Ward Primary school	Highways	Bury Council is nearing the end of a three year Street safe programme which has included the introduction of a number of 20 mph speed zones within the Borough. Contact has been made with the Head teacher at Bury East School and a request made that they speak to parents and staff asking them to be more considerate when driving/parking near the school. (Cllr Connolly)
2	Resident	Concerns about the perceived lack of residents knowledge in relation to what can and cannot be recycled within the Borough. Concerns raised about what Bury Council are doing to tackle the issue of recycling.	Township Coordinator	It was confirmed to the forum that the waste management department are very proactive in educating residents and recycling figures have increased. (Cllr Connolly) Waste Management team invited to present at July Township Forum (Township Coordinator)
3	Jimmy Hill	Concerned about the increased number of HGV vehicles travelling via Kershaw Street damaging parked cars.	Highways	Reported to Highways team and awaiting response. (Township Coordinator)
4	Jimmy Hill	Expressed concern about the levels of rubbish/fly tipping in and around Bury East	Noted	Advised to contact the customer contact line on 01612435353 as an initial starting point to report specific hotspots. (Township Coordinator)

David Thomas (Township Co-ordinator)
