2. Introduction / Background

This refreshed strategy sets out Bury Health and Wellbeing Board's bold five-year vision for improving health and wellbeing in the borough. It makes three underpinning principles and identifies five cross-cutting priorities, to help achieve this.

This report is for decision. It is the refreshed Joint Health and Wellbeing Strategy to reflect the refreshed priorities which have already need agreed by the board.

These refreshed priorities are:-

Priority 1 – **Starting Well**

Priority 2 – **Living Well**

Priority 3 - **Living Well with a Long Term Condition or as a Carer**

Priority 4 – **Ageing Well**

Priority 5 – **Healthy Places**

3. key issues for the Board to Consider

The Board has already approved all the above priorities and governance arrangements and these have been updated in the strategy.

4. Recommendations for action

The Board are requested to sign off the refreshed strategy and governance.

5. Financial and legal implications (if any)

If necessary please see advice from the Council Monitoring Officer Jayne Hammond (J.M.Hammond@bury.gov.uk) or Section 151 Officer Steve Kenyon (S.Kenyon@bury.gov.uk).

None

6. Equality/Diversity Implications

This strategy was subject to an Equality Assessment (EA) to ensure compliance with the Equality Act 2010 and consideration of its impact on protected groups. As this strategy is concerned with reducing health inequalities and based upon the needs of specific equalities groups where known, the EA found that overall it will have a positive effect on equalities.

An Equality Analysis form has been completed and is attached.
