# Welcome to Ramsbottom, Tottington & North Manor Local

---

Thank you for taking the time to read the Ramsbottom, Tottington & North Manor Township Plan. This document provides details on how we plan to tackle some of the local issues we face as a community.

Over the past months, we have had round table discussions at Township forum meetings where Councillors, Community representatives and other members of the public were present and able to give us their views and share ideas. From this and other statistical information, we have been able to identify our priority areas for the next three years.

This plan outlines how we will continue to make progress towards the vision for our Township to promote better outcomes for the social, health, economic, and environmental well being of people within our community. Despite the challenging economic climate we continue to strive for improvement, working together with our communities and partner agencies such as the Council, Police and Fire service, health services, faith groups and so on. We have a strong, dedicated, skilled and committed partnership that is working on a range of projects to help us deliver our priorities and improve the quality of life for residents in our community.

Bury Council has a number of key objectives that underpin its work; delivery of this plan will support these objectives.

- Reducing poverty and its effects
- Supporting our most vulnerable residents
- Making Bury a better place to live
- One Council, One success together

We would like to thank all our partners and residents for their continued efforts in supporting the Township Forum and the important work it does for the community of Ramsbottom, Tottington & North Manor.

# Who we are and what we do

---

Ramsbottom, Tottington & North Manor Township Forum welcomes those who live, work, or have an interest in the area. The forum meets at local venues such as community centre's, churches and schools. These meetings are public meetings and we strongly encourage everyone to come along. Discussions are fed back to Bury Council and its partners for appropriate action.

Ramsbottom, Tottington & North Manor Township Forum is a constituted council committee consisting of all the elected members representing our area and a co-opted advisory group of local representatives from voluntary organisations and community groups. There are up to nine members on each Advisory Group and a place is also reserved for a young person's representative.

The forum empowers our communities, promotes the debate of local issues and brings decision making closer to our residents. It seeks to harness the many strengths and assets we have in place here in Ramsbottom, Tottington & North Manor, including local groups, strong community networks, talented young people, charities and voluntary groups, to work through these issues as a strong and committed partnership.

For further information about your Township Forum please visit [Township Forums](#) or contact David Thomas, Township Co-ordinator on 0161 253 7455, or by email at [d.thomas@bury.gov.uk](mailto:d.thomas@bury.gov.uk)

# Some facts about Ramsbottom, Tottington & North Manor

---

**Demography:** Bury has a population of 186,500. Of these, approximately 31,362 live in Ramsbottom, Tottington & North Manor. Ramsbottom, Tottington & North Manor has an older population profile than Bury overall, with fewer 20-35 year olds. Ramsbottom, Tottington & North Manor has the 2<sup>nd</sup> highest life expectancy for women (82.7 years) of all the Bury Townships and the highest life expectancy for men at 81.1 years.

**Deprivation:** In terms of measuring deprivation, England is split into small areas called lower super output areas (LSOA). Each LSOA represents approximately 1500 residents. Deprivation is measured over 7 domains: income, employment, health, disability, education and training, barriers to housing and services, living environment and crime. In England there are 32,482 LSOA's. In the borough of Bury there are 120 LSOA's. Each LSOA is given a ranking, with 1 being most deprived.

Shuttleworth is the most deprived LSOA in Ramsbottom, Tottington & North Manor, it is within the 35% most deprived in the country overall. Holcombe Road/Greenmount LSOA is in the 1% least deprived in the country, which demonstrates the polarity that exists within the Township.

**Closing the gap:** Ramsbottom, Tottington & North Manor is generally seen as an affluent area. Despite this perception there are pockets of deprivation which adversely affect the life chances of many people who live in these parts of the township. These inequalities between our neighbourhoods mean poorer health, lower levels of education and skills, higher crime and unemployment for people living in these areas. This area plan aims to close the gap so that the lives of those in the most deprived areas are improved.

**Our Assets:** Ramsbottom, Tottington & North Manor is a popular place to live, it has some beautiful parks and green spaces such as Holcombe Moor, with active and enthusiastic friends groups to ensure that these spaces are well maintained. There are active Tenants and Residents Associations that are well represented on the Township Forum.
