2. Introduction / Background

It has been agreed that Bury Integrated Health and Social Care Partnership Board owns and oversees the successful delivery of Priority 2 – Living Well of the Health & Wellbeing Strategy.

The Health and Wellbeing Board Terms of Reference state;

"The Board will oversee and receive reports from a set of sub groups which will focus on the delivery of key targeted areas of work. The sub groups will report directly to the Health and Wellbeing Board. Provisions that apply to the HWB would also apply to any sub groups of the HWB."

In order to ensure effective governance and accountability for delivering priority 2, it was agreed that:

- The minutes from Bury Integrated Health and Social Care Partnership Board will be made available to the Health & Wellbeing Board and will be circulated for information on a regular basis. As the Health & Wellbeing Board is a public meeting and therefore all documents are available to the public.

		A performance reporting framework for mental health will be developed	There are 2 ASCOF measures referencing mental health. These are not reliable indicators due to data quality issues from Pennine Care (this is being addressed)	Local indicators can be developed using SALT data once further work has been done with Pennine Care (on PARIS extracts).	All local areas have the same challenges in relation to mental health data and reliability. Therefore benchmarking is not appropriate or reliable at this time.	PARIS (Pennine Care) Protocol (Bury Council)	Further assess current data collected, identify data gaps, develop a performance reporting framework	Progress to date has been delayed due to resource issues. Regional workshop has taken place with Pennine Care to improve data provided for statutory returns from PARIS system.
